MARIST JUNIOR COUNCIL DELEGATE

The delegate (Andy Rees: andyrees58@hotmail.com) :

- acts as the official point of contact between the Club, Council and other Clubs;
- distributes draws, draw changes and ground changes.
- represents the Club for problems that arise from games/conduct/results.

Report any observations in relation to ground conditions to the Junior Council Delegate. Ground conditions are particularly important as the earlier that unsatisfactory conditions can be advised to Urban Parks and Places, the better are the chances of having them rectified before the next weekend.

- When you want to contact the opposition team to discuss venue changes, etc.
- To facilitate a different start time for mid-week T20's
- To report a problem or issue that arose during a game.
- To report any problems you think should be brought to the attention of the Club or Junior Council.
