### ACT JUNIOR CRICKET COMPETITION RULES

You should read carefully the official [ACT Junior Cricket Competition Rules](#) for the 2022-23 Season. Any parents who act as umpires also need to be familiar with the rules.

- Contact the Junior Council Delegate (Andy Rees – [andyrees58@hotmail.com](mailto:andyrees58@hotmail.com) ) if you need further clarification or advice.
- You may wish to give a copy of your Stage rules to parents/players (optional)
- You should also be aware that the rules have been revised and rewritten.

The Laws of Cricket can be found on the Marylebone Cricket Club (MCC) website:  
<https://www.lords.org/mcc/laws-of-cricket/laws/>

The MCC has also released The Official Laws of Cricket app. You can download and install this application through the appropriate link below:

- [Official Laws of Cricket - Android](#)
- [Official Laws of Cricket - IOS \(Apple Devices\)](#)

#### **Important Note:**

- All players must wear a helmet and a protector when batting. A player coming into bat will be given out 'timed out' if they are not wearing a helmet. Players must also wear a helmet when batting during practice sessions.
