Marist Cricket Club's Goals

Mission Statement

The Marist Cricket Club exists to provide an effective cricket support infrastructure for Marist students to play cricket and develop their cricket skills and interest in the game so that Marist is considered a successful cricketing school.

Goals

- To provide all students at Marist with the opportunity to play cricket
- To maximise the level of participation of students who choose to play cricket
- To provide qualified coaches for the college's cricket teams
- To provide all players with the opportunity to be coached in all facets of the game
- To educate Marist cricketers in the etiquette of the sport and ensure that coaches and players play the game accordingly
- To develop all teams, and especially the First XI, into successful combinations where all boys are able to contribute to a team's success
- To keep the college and general community informed of the progress of its cricket teams
- To maximise the level of satisfaction students gain from playing cricket so they will want to play the game "next year"
- To assist with the running of junior cricket in the A.C.T.
- To encourage Marist players to play in representative teams
- To ensure that funding is available to achieve all other goals

President's Report

Nick Smith

On reading my last two President's reports I had almost forgotten just how challenging the last three seasons have been. Despite the season again being dramatically shortened initially by the pandemic and then by the constant weekend rain, Marist has shown outstanding passion for the sport I love with an astonishing 279 boys registering to play our game.

This year our teams didn't have quite the successes of the previous seasons although three premierships is not a number to be sneezed at. The stage 2 Saturday Blue team avenged last year's grand final defeat while the Stage 3 Turf and Colts 2 teams overcame significant disruptions in terms of player movements and lack of opportunity through weather to deliver premierships. Six other teams played in grand finals and the spirit, sportsmanship and resilience shown by all the boys was a credit to you all. As a parent volunteer it also makes life enjoyable when we didn't have a single complaint provided by an opposition or parent that required escalation, a credit to all families and boys involved in cricket at the college.

As such we have, with the support of the school and the committee, implemented a "Marist Spirit of Cricket" award that will be awarded to a player or volunteer who epitomises the spirit and ideals of Marist cricket. The recipient of the award in 2021-22 was Will French.

I would also like to specifically call out some other terrific volunteers that are involved in the club. Justin Brown and Aruna Hewawasam were incredible with the stage 3 Saturday Synthetic team in some difficult circumstances while Chirag Desai has demonstrated what true "cricketing passion" is with his stage 3 Sunday Gold team. These individuals, our other coaches and particularly our student coaches as well as all our managers and committee members are the people who allow all of our sons to play the game each weekend. To all of you – thankyou. These contributions and countless other volunteers made the choice for a President's award incredibly difficult.

Kylie Denny is a worthy recipient of the President's award for the 2021-22 season. For many years now, Kylie has managed multiple teams, not only in cricket but at other sports in the college, with her steady guiding hand. Nothing is too hard for Kylie and she is the type of volunteer that allows all of our sons to play cricket. Her work and organisation are often unnoticed but are imperative in getting the boys a game of cricket. Kylie offers terrific perspective and counsel and when needed a very forthright perspective that has improved everyone's perspective on what needs to be done.

Finally, I would like to acknowledge the Clubs major sponsors in Greg Chappell Cricket Centre in Fyshwick, Callida Consulting, the Southern Cross Club and Evolve Sports coaching. I would also like to call out Weston Indoor Sports Centre who have given the club indoor training facilities in this particularly wet season. I would like to thank the school and your teachers including Mr Hutchinson, Mr Mead, Mr O'Callaghan, Mr Goodman and Mr Pezzella who are all tremendous supporters of the sport and have supported the Committee during this season and previous seasons.

I look forward to an uninterrupted 2022-23 season with plenty of runs, wickets and catches for all of you.

First XI - Colts

Team Performance

The 2021-22 season saw the First XI playing in the Cricket ACT club cricket competition as opposed to the ASC format of previous years. The season also felt the ongoing impact of Covid, seeing the focus on T20 and 50 over cricket, rather than the two-day format of previous years. While the team adapted well to the new challenges and had some impressive victories to finish on top of the ladder, we still struggled to put together our best cricket for sustained periods of time. While poor weather and replacement of the Lindwall Oval pitch (an exciting development for future years!) disrupted some of our momentum, it did provide some valuable learning opportunities along the way.

The boys showed glimpses of their best cricket, along with enormous courage to hang tough in our semi-final against Radford, and then fight their way back into the grand final against a strong Grammar team – ultimately falling just short of victory. With most of this talented squad returning next season, the final ingredient for success will be a positive mindset and self-belief. If we can capture this, it will put the team, and club, in a strong position for upcoming seasons.

A huge thank you to Amanda and Matt Lillie for your support, not only to the First XI this season, but over many seasons – your involvement, assistance and positive support will be greatly missed! Thanks to all of the other parents who helped throughout the year with scoring, umpiring and cheering the boys on. A special thanks also to POC for his guidance, coaching (and coach counselling!) and support, especially when this was spread across many teams all year. Thanks also to Nick and the committee for their tireless work in getting the season going, and to Jimmy and Teague for their hard work to get Lindwall ready with some of the worst pitch prep weather in memory!

Finally, to the boys – well done on this season. While we fell agonisingly short of the ultimate goal, we gave it a real crack until the end. Congratulations to Ben, Raf and Tobit who played their final games for the First XI – you should all be proud of your contribution to Marist cricket, and the way you have gone about things in recent seasons. Well done to everyone who achieved season and career milestones, but let's keep working on the power of a positive mindset as we look ahead to next year!

THE PLAYERS:

Rafay Abbas	One of our senior players this year, Raf did not have a lot of luck with the bat, a couple of close calls going against him. However, he continued to provide energy and enthusiasm to the team, and was a key motivator in getting the team spirit going ahead of finals. Raf was also one of the best contributors all year in the field, patrolling the boundary and throwing himself around in the inner circle – his desperate fielding in the semi-final (including wearing one in a painful region!) being a huge part of our victory.
Imran Ali	Our youngest player, Imran had a really good debut season for the First XI. Despite being thrown around in the batting order, he was always happy to do what the team needed and proved his ability with half centuries against Weston Creek and Tuggeranong. He also bowled some crafty spells of offspin bowling when given the opportunity and was a constant presence in the field with his voice and encouragement to others. A real pleasure to coach and deserving winner of the coach's award – one to watch in future seasons.
James Haley	It was a different role for James this season, required to play a key role with bat and ball in the middle order to late order. He bowled some great spells in partnership with others this season, many going without reward but always helping to limit the scoring at crucial times. His creative late order batting was essential in keeping the scoreboard ticking over and gives an indication of what he will do next year with more responsibility. James played a courageous innings in the Grand Final, only a week after splitting the webbing in his right hand, and nearly got us across the line. Has terrific leadership potential and will have a massive 2022-23 season once he realises this!
Cian Hickey	Our second youngest player, Cian was another who had a good debut season for the First XI. He also played a different role this season, bowling first or second change and adapted well to the older ball, often breaking dangerous partnerships to finish with 10 wickets for the season at an average of 17. Another whose voice was a constant presence in the field, but who did not get an opportunity with the bat this season simply because of the batting line up at hand. Still managed to score enough to join the 500 runs & 50 wickets club and a lot to offer in coming seasons.
Akshay Joseph	Opened the season on fire with a half century in the first game, and bowling key spells of off-spin before a shoulder injury curtailed his ability to contribute as he normally would. Despite his shoulder issues, which limited his impact, he still finished as our third leading run scorer with 226 runs and has moved into fourth in the clubs overall runs scored table. Akshay has immense potential and will bounce back as his shoulder recovers, but will also benefit from focusing on, and understanding the importance of, the team side of the game in cricket. Fully fit and with a positive mindset, Akshay will be a terrifying prospect for opposition team's next season.

Nick Kent Ben Lillie (c)	A regular at the top of the order, Nick had another fine season with the bat, scoring 272 runs with two half centuries against Radford. The second in our semi-final against Radford one of the best innings I have seen on a difficult pitch. His bowling also took a leap forward this season, finishing with 13 wickets at an average of 15, with his pace and bounce tying teams in knots through the middle overs – reflected in his promotion in senior cricket as well. His all-round effort in the Grand Final (44 runs and 1-32 from 10 overs) nearly got us across the line. Congratulations on playing your 100th game and passing the 2500 run mark for Marist. Our opening fast bowler and captain who threw everything into his game at
	both training and on weekends. Hit the deck hard with the new ball, regularly getting an early break through with his pace and was everywhere in the field. Took a step forward in confidence in his own game, and finally got a chance to strut his stuff with the bat, playing some important late order innings. His quickfire 17 from 18 in the semi-final providing a crucial surge in the final overs. Was always prepared to listen and try new things, while also putting his own view forward and making some great calls throughout the year as well. A great season from a great skipper!
Tobit Louis (vc)	One of our senior brigade, Tobit worked hard throughout the season, taking catches and making run-outs at crucial times in the season and providing a steadying contribution to the team leadership. The change to one day cricket and batting at 4 and 5 this season, often meant he was coming in late in the innings, which did not always suit his style, but his class was on full display against Norths where he played a brilliant innings of 58, his highest score to date. And who could forget his destructive spell of off-spin bowling against Radford in the opening game to finish the game with two wickets from one over.
James Martens	A class cricketer with leadership potential, James showed why he is a force to be reckoned with in senior and rep cricket, taking out the Senior Cricketer of the Year. James had a great season with bat, ball and in the field taking wickets in every game (bar his brief stint as an off-spinner!) and scoring runs, with his century against Norths a pleasure to watch. Continued focus on adjusting between a good first grade length and good Colts length the only area to improve in the off-season – perhaps with remembering to pack his full playing kit each week!!
Saswat Pati	Sas was a solid contributor and always willing to do a role for the team, despite limited opportunities throughout the season. Bowled better than his figures reflect and will benefit from working on his run-up to find a relaxed routine and hitting the right channels. Capable of batting much higher in the order, his efforts with bat against to put on valuable late order partnership with Ben in our semi-final proved to be the difference. Looking forward to what next season holds.
Jackson Tarrant	Had a very good season behind the stumps as well as providing some valuable lower order hitting. He is beginning to realise his potential with the bat and played some important innings, scoring a quickfire 31* against Wests to win the T20 early in the season, and then dragging us back into the Grand Final with a blazing 30 from 19. Some really big scores are coming once his temperament allows him to face more than 25 balls!

Ansh Tiwary	In a season disrupted by rain and rep duties, Ansh was able to prove why he is one of the best opening bats in the competition in the second half of the season. His first century for Marist (142*) against Tuggeranong was an incredible knock along with his excellent 61 in the Grand Final. Ansh also proved he is a capable off-spinner when given the ball, with some tight spells in the semi and grand finals. Ansh has a lot of potential as a future leader, and I am hopeful we can have a full season next year for him to demonstrate this.

MARIST NAVY TEAM PERFORMANCE: 6 wins, 5 losses, 4 draws

At the commencement of the 2021-2022 season Marist initially saw 18 registrations for Colts Division 2 so the club decided to field two teams in that competition, relying on promoting and cycling junior Stage 3 Turf players through the teams to field 12 or 11 players each week. Colts Marist Navy had a wide mix of senior and junior players from Year 12 boys in their last season and Grade 9 boys starting or in the middle of their respective careers with Marist cricket. This mix of experience and youth combined to be very competitive outfit able to trouble or defeat all teams in the competition. The older boys made the junior boys feel very welcome and regardless of who entered the team for any given match all boys were treated with respect and dignity, and all were given opportunities to shine and make an impact for the team. Team management received many comments from the younger boys' families about how much their son enjoyed cricket with Colts and wanted to express their appreciation for how well their younger boys were treated in the team. Albeit a frustrating season with respect to the weather and how relatively little cricket was able to be played, the spirit within the team and the enjoyment gained by playing with each other makes for a successful season with cricket being the winner. Overall Marist Navy won more than lost (6 wins and 5 losses). Due to bad luck with weather and the inability to contest the 40 over semi-final Marist Navy finished 4th in that competition. Marist Navy finished in 7th position in the T20 competition, again mainly due to bad luck with weather! The boys combined well with each other, showing maturity and friendship with all their Marist mates and the opposition. All boys proved they are fine gentlemen as well as cricketers that Marist can truly be proud of.

THE MARIST NAVY PLAYERS

THE MAKIST NAVI I	-
Cameron Bushell (vc).	As a senior campaigner and vice-captain of the team, Cameron embraced the younger boys and made them feel welcome. Cameron was required to take on a lot of responsibility, having to withstand considerable pressure at the top of the batting order. To his credit he managed to consistently see off the opening bowlers. Cameron finished top in batting with 176 runs at a competitive average of 25.14. He also proved to be a more than handy medium fast bowler capturing 10 wickets at an average of 13.50.
Jack Catanzariti.	One of the quieter members of the team Jack enjoyed his cricket and his attitude was always good and positive. He demonstrated an ability to hang in there with the bat and frustrate the opposition bowlers, which all contributed to positive team outcomes. Well done Jack and we wish you all the best as this is your final season for Marist cricket.
Bede Cuddihy.	Bede has had an outstanding season for a younger Stage 3 turf player coming up and taking on a role in Colts Division 2. A consistent performer, always with a smile on his face and a kind word for his mates, making good contributions for the team, especially with the ball, he took an excellent bag of 9 wickets at 12.11 and scored 67 runs at an average of 11.17.
Oscar David.	"OJ" was a valuable member of the team who always managed to get some runs or take a wicket with his moving medium pacers when the team needed something to happen! Oscar was always supportive for his teammates and helped greatly with the fabric of the team. We trust OJ will continue his cricket journey with Marist and build more memories of his school days and his mates!

	Jeremy not only stood up manfully as captain of the team observing weaknesses in the opposition, his performance in his last season in
Jeremy Firth (C.)	Marist cricket is one to be remembered. He was the leading wicket taker with 16 wickets at a single digit average of 8.56, using guile and variation to capture his wickets. He also scored the 2nd highest runs aggregate of 173 at a healthy average of 21.63. A fine season by any standard!
Arnav Gupta.	Another junior player coming up to fill a spot in Colts Division 2 from Stage 3 Turf, Arnav was a very popular team member and an excellent performer bowling his spinners and proving difficult to dislodge with the bat. His faster ball has quickly become legend, often ambushing an unsuspecting batsman! His enthusiastic attitude playing for the Colts was also quite infectious. Well done Arnav!
Owen Hardy.	Owen was an opening bowler for the team and bowled with zip and accuracy, often racing in with his 'game face' and 'castling' the opposition batsmen with those yorkers spearing in from around the wicket! At the completion of the season Owen finished with a very impressive 10 wickets at an amazing average of 9.40! A fantastic season, it was great to see Owen enjoying his cricket!
Sam Hosking	Sam entered the Colts Navy team to fill in the critical wicket keeper role from Stage 3 Turf and proved to be very handy and promising batsman in the process! His enthusiasm and presence in the dressing room was a bonus for the team. He achieved a batting aggregate of 145 runs at an average of 18.13. Overall, this was a sterling effort in his inaugural season in Colts!
Xavier Manning.	It was great to see Xavier enjoying his cricket, spending good time with his mates out in the field and in the dressing room. His attitude to the game was faultless and enjoyed some great moments during the season where he contributed either by hanging around with the bat or taking a catch to keep us in the game! Well done Xavier, we look forward to seeing you in future seasons.
Angus Murray.	An attacking left-handed batsman who never dies wondering, Angus proved to be an accomplished slips fieldsman with nine catches and bowled some handy leg spin, taking some much-needed key wickets throughout the season. Always quick to put a reassuring arm around someone who needs it, or provide that word of encouragement, his support for his teammates was outstanding and his presence in the dressing room will be missed as this is his final season for Colts.
Lachlan Riley.	Lachlan took on the role of opening bowler with relish and proved to be quite a handful for the opposition openers as he consistently hit a good length and made it difficult for them to score. He captured 6 wickets at an average of 24.33 and he also showed an ability to hang around with the bat and annoy the opposition bowlers!

Stage 1 Blue

TEAM PERFORMANCE: 3 wins, 4 losses; 5 draws.

Marist Blue came to be at the twilight of the 2021 school year, consisting of 8 boys (later becoming 7), some of whom were playing cricket for the first time. They would embark on a very successful season, improving their skills across all platforms - bowling, batting and fielding. The season began tough, with the weather forcing the first two rounds to be abandoned, before a narrow nine run defeat to WCMCC officially kickstarted the season.

The early season pattern would continue, with the rain continuing to force games to be abandoned. After six rounds gone but only two games played, the boys would pick up their first win of the season against Tuggeranong Vikings in round seven, winning by nearly 50 runs in a brilliant all-round performance. The boys would go on to win two more games in the season, with a highlight of the season being the two consecutive wins to cap off the season, in which both were excellent performances, seeing many boundaries being hit and wickets being taken. The boys

not only showed a fantastic attitude throughout the season to grow themselves as cricket players, but as a team who together endured a frustrating season cut short at times by the weather and became closer for it. A special thanks goes to the parents of the players, coming out in great numbers and giving up their Friday evenings to support their children and bring a good atmosphere to the games.

THE PLAYERS

I TE PLATERS	
Logan Bray	Logan is a quiet achiever who went about his business with concentrated effort throughout the season, especially during training. In particular Logan showed great potential with his swing bowling, but can work on bowling a little bit slower to achieve greater accuracy. Logan also showed the ability to strike the ball cleanly and backed it up with excellent running between wickets.
Jimmy Caldwell	Jimmy was a genuine all-rounder who improved after every outing but most importantly trained with commitment every Tuesday afternoon at training. Jimmy secured key wickets when given his opportunity to bowl, his 4 for 6 being a great highlight of his year with the ball. With the bat, Jimmy demonstrated a sound technique which will set him up for future seasons in higher grades.
Liam Charles	Liam always approached the game with a positive attitude and showed great improvement since the start of the season. Liam showed the ability to take wickets with his spin bowling when he bowled at the stumps as batsmen struggled to read his deliveries. Similar to Logan, bowling a little bit slower with concentrated effort can take his bowling to a higher and more consistent level. With the bat, Liam showed the ability to score runs, in particular his ability to capitalise on short deliveries with cut and pull shots.

Tom demonstrated great performances with the bat and ball throughout the season with some high-quality batting displays and excellent economic spells of bowling. His ability to time the ball with excellent stroke play all across the ground was a feature of his play. Tom's checky and competitive nature always came to the fore and had a strong influence on team dynamics. Although Tom has natural ability, he can take his game to a higher level by further applying himself more at training. Jacob was a valued member of the team in which he brought about a great sense of enthusiasm amongst the team. Jacob displayed solid performances throughout the season with excellent hitting down the ground and wicket taking bowling. Self-belief and confidence is the key for Jacob in future seasons which will come with more experience and applying himself at training. His powerful striking down the ground in our last game of the season (hitting several fours) was a highlight of Jacob's season. Unfortunately for Marcus, his season was cut short due to injury but prior to the second half of the season had contributed positively to the team. His batting was of a high standard, in particular his 360 degree stroke play and positive running between wickets. Marcus was a good fielder who showed excellent speed across the ground which made him a dangerous outfielder. Further improvement of his batting and bowling techniques through learning the finer aspects of the game can see Marcus play a high level of cricket in the future. Harry showed great enthusiasm and commitment during the year and is a great example for how players should go about the game. Harry produced some consistent performances with the ball, displaying a great deal of accuracy and good target bowling. Harry displayed a solid technique with the bat and has the ability to score runs, but self-belief is the key for future success with the bat. Harry's willingness to wicket keep was appreciated by his teammates and always had a safe pair of hands with the gloves. William

Stage 1 Heat

TEAM PERFORMANCE: 4 Wins, 3 Losses, 5 (washed out) Draws

In their first season of "hard ball" cricket for all the players, the Marist Heat had a really successful year — finishing on the right side of the win/loss ledger but more importantly showing huge improvements in their batting, bowling and fielding in each game while having a lot of fun with their mates. The crazy summer weather conspired against us on a number of occasions on a Friday night with 5 games lost due to rain. I was really impressed with the way the boys committed to their training each week and they all worked really hard on some of the key basics — moving their feet to the ball when batting and working on a nice high front arm when bowling. The standout performances from the team came in the last 2 games of the season — a brilliant batting display against Weston Creek in the second last game saw the boys score over 100 runs for the first time with the bat and they finished the season in style with a brilliant fielding/bowling performance against Eastlake in the last game which involved some very disciplined bowling along with some outstanding direct hit run outs and catches.

As coach it was great to be back at the college and involved with coaching the boys and witnessing the start of their cricket (and education) journey with Marist. I would like to say a big thanks to our team managers Ange Vaughan and Rachael Wood along with Jason Orchard and Matt Sedgwick who assisted with training throughout the year and Nigel Curry who was a great scorer. Well done on a great season Marist Heat and look forward to seeing the boys return next season.

THE PLAYERS

THETLATERS	
Henry Curry	Henry enjoyed a great season – his batting really improved through the year and it was brilliant to see the shots he could play when he kept his head still. Henry had a great last game playing a very committed innings battling through a number of body blows while also picking up a great wicket.
Lachlan Edwards	Lachlan was a big improver through the year and worked really hard each training on his batting and bowling which was evident in his performances on the field. Enjoying the role of wicketkeeper, Lachlan showed a real natural ability to keeping and had some great games behind the stumps.
Henry Lejsek	Henry had a solid all-round season and some great games with both the bat and ball. Taking a wicket with his first ball of the season set him up nicely and he showed great consistency with ball in hand. Henry enjoys being in the field and has great hands and a strong throwing arm which he used for a number of direct hit run outs.
Buster Orchard	Buster was our power hitter with the bat – playing some excellent innings in the middle order and highlighted best by the pull shot for 4 in the last game which was one of the shots of the season. Buster has the safest hands in the team and took some exceptional catches in the field and just missed out on taking an absolute screamer with one hand – the ball just bobbling out as he hit the turf.

Alex Sedgwick	Alex is a great allrounder with great skills on show as a batter and bowler. He excelled with the bat, playing some really entertaining innings and was the catalyst for some much-needed aggressive running between the wickets. Left-handed with the bat, Alex played some classical straight drives and is very strong on the pull shot.
Riley Walters	Riley is a talented all-round sportsman and shows huge potential with both the bat and ball – having some great games with both. Very accurate with the ball and keeping it tight was a hallmark of his bowling while his batting was consistent, and Riley played some powerful shots down the ground showing his abilities.
Lewis Willemsen-Bell	Lewis is a talented cricketer with a classical straight drive with the bat and a very accurate bowling technique which was on show through the year. He also enjoyed a number of stints behind the stumps and showed some great natural abilities as a wicket keeper. Lewis worked hard at training and was very focused on improving his skills.
Thomas Wood	Tom worked really hard on developing his leg spin throughout the year and it really showed as the season progressed – his bowling performance in the last few games were great A batsman who loves to play the pull shot, Tom really found his niche behind the stumps wicket keeping – he had some brilliant games as keeper and really marshalled the team around the field.

Stage 1 Hurricanes

TEAM PERFORMANCE: 6 Losses, 1 Draw

2021/22 was a formative, if often interrupted, season for the Marist Stage 1 (U10) Hurricanes. For most of the team, it was the first time they could take the skills carefully honed in their backyards and in the school ground and apply them whilst wearing the MCC whites and in a more formal and structured setting. That the boys all came so far and developed so much is a testament to their supportiveness for each other, willingness to both take and give constructive advice, and generally just being boys of good character.

The season had plenty of highpoints and spectacular moments both on and off the field. Particular standout moments included:

- When Joshua Welathanthirige took two spectacular catches as wicket keeper in the team's first game to the crowd's chorus of whoops and cries (whose volume belied the few people available to generate them),
- The deft late cut shots of Liam Blazic, that continued to amaze bowler, umpire and parent alike as they effortlessly sent balls sailing finely down offside, and
- Daniel Slater's hattrick against Eddies, which was a much-needed highpoint on an otherwise extremely challenging day.

However, all those bigger moments were overshadowed by the myriad of smaller gestures that come from a team of boys that all liked and respected each other. Those moments were present in the collective celebration of every wicket, the constant positive comments among the team for a good ball, a good catch, a good throw, good backing up, or just good commentary.

THE PLAYERS

	was the left handed batsman for the team, and remains the U10 player							
Liam Blazic	with the single best cut shot going around. Liam has a natural affinity							
(C, round 10)	(meaning that the coach had nothing to do with it) for late strikes of the							
	ball, playing the ball off his pads and from under his eyes with ease.							
	made incredible gains in his bowling throughout the season. His action							
	and natural build enabled him to develop a ferocious pace with only a							
Liam Coady	short and efficient run-up. Despite this, Liam's kind and helpful attitude							
	meant that no batsman ever seemed put out or ill-at-ease with facing him,							
	even when they'd just been bowled the ball prior.							
	found his season enhanced when his parents realised how badly he							
Dotminis Coffee	needed glasses: his batting scores greatly increased alongside his ability							
Patrick Coffey (C, round 5)	to see the ball. On the field, Patrick's exhortations to his teammates that							
(C, Tourid 3)	"you got this" and inexplicable reference to everyone as "Gary" did much							
	to bring the team together and keep them smiling in any scenario.							
	was tenacious in the field and with the ball and the bat. He was							
Danier Mantin	unwavering throughout any conditions and in every situation. Through							
Damon Martin	the season he steadily improved both his bowling and batting to become							
(C, round 9)	the leading run scorer for the team. Damon demonstrated a quiet							
	leadership that set the benchmark for his teammates to follow.							

Ernest Morrison (C, round 7)	was, if not the soul of the team, then certainly its narrator. Ernest's voice could be heard at almost all times, at almost all of the ground, for almost the entire game. Ernest proved himself an effective bowler, with high and loopy balls from over and around the wicket that often caused confusion among the batsmen, and bafflement for the umpire at the constant switching of sides.
Daniel Slater (C, round 12)	showed great improvement throughout the season, scoring the only hattrick on his way to becoming a supremely capable and consistent bowler. Like Liam B, his frequent stops for snacks gave him plenty of time to enjoy the social elements of the game, though this never held him back from taking on every role around the ground and continuing to work on his skills with both bat and ball.
William Loft (C, round 3)	was one of the more experienced boys to start with the team and played a key leadership role throughout. Despite an occasional flirt with spin, he continued to develop his pace bowling into a potent weapon, and by the end of the season he was often taking multiple wickets an over.
Joshua Welathanthirige (C, round 8)	was a constant source of energy and optimism throughout the season. Notably, Joshua took it upon himself to take on extra training with his bowling which demonstrated great strength of character and a sense of responsibility. However, it was behind the wicket that Joshua shone – he was unbeatable with the gloves taking several catches and stopping many byes.

Stage 1 Light

TEAM PERFORMANCE: 6 Wins, 1 Losses, 5 Rained Out

Whilst this season turned out to be one of the wettest in recent history, the boys still thoroughly enjoyed their cricket. The team had 6 wins, 1 narrow loss and 5 matches abandoned due to rain. Despite the rainy weather on weekends, Tuesdays were always dry and we were able to train consistently throughout the season. This meant that the boys had plenty of opportunities to improve their batting, bowling and fielding. As a result, we were able to finish the season with some very convincing wins and excellent displays of skills with the bat and in the field. The boys were very enjoyable to coach and the parent group was always full of support and encouragement. Thank you to everyone who contributed to the team, we look forward to next season and hope for a few more matches.

THE PLAYERS

Daniel Belcher	Daniel developed his skills throughout the season. He continued to be very economical with his bowling and demonstrated flair his batting, including a ramp shot on the final delivery of the season. He enjoyed his cricket and always supported his team mates.
Tom Berry	Tom worked hard at training throughout the season. He developed his spin bowling and improved the power of his shot in batting. He was always full of energy at training and in the field. The boys loved playing with him due to his positive nature.
Nikolai Hill	Nikki improved his skills throughout the season. His bowling was accurate and his batting destructive. Nikki topped the leading runs scorer table with 159 runs across 7 matches, finishing the season blasting 6's for fun against Tuggeranong. Nikki was a leader amongst the boys, often encouraging his team mates and ensuring energy in the field.
Jude Hill	Jude enjoyed his season and improved his skills through dedication and hard work. He often played as wicket keeper and took some impressive catches. Jude trained hard and wasn't afraid to go up against the fast bowlers in the nets. This helped him improve his batting and cricket overall.
George Salter	George continued to improve and develop his skills this season. This season he improved the accuracy of his bowling and finished the season respectable figures. He always worked hard at training and enjoyed competing against his teammates. George always encouraged his team mates and was a very popular member of the team.
William Scholtens	Will had a very successful season. He worked hard at training and improved his bowling action, helping him to achieve 10 wickets across our 7 matches. He was also a gun in the field, executing 4 runouts in the season. Another great asset for the team, ensuring all the boys gelled well together and enjoyed each other's company.

William Spencer	William was the spearhead of our bowling attack, often bowling pure pace that would intimidate the opposition as well as team mates in the nets. His pace was a huge asset and William finished leading wicket taker, taking 15 wickets in 7 matches at an average of 2.8. William also displayed power with the bat, accumulating 108 runs across the season. A talented player and well-liked team member.
Ignacy Wolnicki	Ignacy was welcomed to the team as he cautiously started his first season of cricket. He attended training with a determination to learn and to improve his skills in order to be on par with his teammates. He succeeded in this goal and hard a very successful season with bat and ball. It was a pleasure to see him develop his skills and he was greatly appreciated by the other boys.

Stage 1 Navy

TEAM PERFORMANCE: 7 Wins, 1 Losses

With 4 rounds this year abandoned due to the heavy rain fall the boys played exceptionally well and very consistently during the season. There was a vast improvement in the boy's skill levels and match play this year as they all worked hard during training sessions. Training was always close to 100% attendance, which gave us time to develop their game. They all should be very proud of themselves as they all showed great character and Marist spirit during their matches. The boys pulled together as a team as the season went on forming some great partnership with impressive high run rates. It was entertaining to watch the boys put up some high scores including capitalising on every single run opportunity. Out in the field they were talking and always backing up to support any overthrow.

The season was a great success and a very big thanks to David Moore who coached the boys and umpired every game. It was also great to see family and friends support Marist Navy during the season with lots of help to make sure things ran smoothly.

THE PLAYERS

THE PLAYERS	
Nick Brennan	Nick's hard work on and off the pitch was clearly demonstrated in his excellent performance over the season. He had some fantastic bowling performances throughout the season which included a hattrick against Marist Royals, in his best bowling performance of 4/6. He was unlucky not to get a lot more wickets, very often beating the edge of the bat with his blistering pace, consistent line and length and increasing movement off the pitch. Nick was also a strong contributor with the bat, with a top score of 26.
Lachlan Carter	Lachlan always plays the game with the right spirit and attitude. From a strong showing last year, his improvement during the year was significant. His 25 run innings against Marist Strikers was his best and enjoyed at Marist's home ground, which was a great reward for his efforts. Lachlan's bowling improved throughout the year and he was able to generate some terrific pace (and occasionally some spin too!) by the end of the season and consistently took wickets. An outstanding listener – both at training and on the field to get lots of quick singles - and will make many contributions to the Marist cricket teams in future years.
Will Kemp	Once he came back from injury, Will was a dependable member of the team with bat and ball. He worked hard with his bowling through the season and the last few games showed great improvement, sending down some good length deliveries. Will also showed a good eye at times with the bat and his performance on strike this year was exciting to watch, hitting some cracking shots. He saved his best innings for the last match of the season, with an excellent 21 including a big six.

Jay Miller	Jay deserved the Coach's award this year for his excellent all-round performance in batting, bowling and fielding. His positive attitude toward development and listening when training really increased his performance this year. His season performance included 113 runs for the season - a huge increase from last year, with boundaries but also a lot of quick singles to build a total - and some exceptional catches in the field including a caught and bowled. Jay consistently took wickets when bowling and plays with an easy-going but serious attitude.
Alex Moore	Alex had a great year with the bat and ball, and always wanted to be amongst the action. He scored a massive 154 runs over the season considering four matches were abandoned and a high score of 37 from 18 balls. Alex took some great catches during the year, both in the field and with the gloves on. A couple of stumpings and catches behind the wicket showed his keen interest in wicket-keeping, and he also consistently took wickets when bowling with straight, darting deliveries aimed at the stumps. He plays with passion and I am sure is already looking forward to next season.
Oscar Moore	Oscar made a great all-round contribution, taking 6 wickets during the short season and with a top score of 22. Oscar worked hard at his game during the season and improved in all areas. Oscar showed a good straight defence, getting in behind the ball against some good bowling from the opposition at times. He also took opportunities to pick off boundaries on the leg-side, and like all in the team, improved his running between wickets. Oscar's bowling by the end of the season was a good line and length, and he is learning that some variation in pace makes him harder to play. He was a great team player and looking forward to playing in the coming seasons.
Angus O'Brien	This was Angus' first year representing Marist and he set a great example of Marist spirit like he had always been part of the team. In addition to consistent bowling and batting performances, Angus was one of the team's wicket keepers. Angus's best bowling performance was 1/7 and he took 4 wickets throughout the season. His quick, seaming deliveries were difficult to play, and he is shaping up to take even more wickets next year. Combined with his crisp strokes when batting, he is an all-rounder in the making.
Nick Wright	Nick demonstrated great all-round performance this season. His composure at the crease ensured he was consistent scorer of runs, hitting many great boundaries for the team. Nick scored 100 runs in total for the season, with a high score of 23. He took 4 wickets for the season, with a sharp, straight line that also made it hard for the batters to score against. He also enjoyed keeping, and showed great anticipation behind the wickets against some very quick bowling from his team-mates.

Stage 1 Renegades

TEAM PERFORMANCE: 4 Wins, 3 Losses, 5 draws

A number of our team were members of the Marist Sixers last year and Renegades now, with acquisition of some very valuable members, Bobby, Thomas, Dominic and Leo.

Sadly, we lost 5 games to rain along the way but outside that it was superb. Even with three losses, every innings played was exciting for the players and parents. The team retained skills from last year and applied new ones from the 1st game with an intense and coordinated fielding effort supported by skilful

bowling and batting.

The batters encountered some no-balls and wides, especially in Jerrabomberra and we delivered a few as well over the season. The members have spent a lot of time in the nets working on their bowling and each individual is close to spot on in length and line, except for a couple of full tosses and bouncers along the way that have sent a few opposition players off. We have witnessed well practised spin that has caused many a brain snap in opposition batters as well as scorching pace and baffling slow loopers, providing wickets or catches to the bowler.

Motivation to win has driven our batting totals to be far larger this season, that competitive spirit has provided us with victories and a couple of lost wickets along the way. The coaches have spent a lot of time at the back of nets directing their students towards good methods and it was reflected on the game pitch. Overall each player showed no fear in standing their ground against a variety of deliveries and took the stick to the ball any chance that was offered. Having different bowlers helped along the way, exposing batters to different speeds, lengths and delivery heights, providing greater maturity in attacking and defending.

I have enjoyed every second of this season, as I imagine the coaches, parents and players have. Encouragement and involvement by the supporters is second to none and the boys have greatly appreciated their presence to help them along the way.

I would also like to thank every person who provided scoring skills this season, especially Tom's mum Susie. Scorers provide an extremely important role in recording history, a testament that may be looked at in years to come.

Seth Armytage	Seth returned from cricket camp and started the season spectacularly. We tend to call him Mr Consistent, he is ranked 12th Canberra wide in our group on an economy rate of 1.88 with 6 wickets and was pivotal in minimising opposition runs. Always an entertainer at training and in games he has raised spirits when the team is looking
	tired.
Bobby Cook	Bobby started a little later in the season and took training sessions seriously, listening to batting tips and improving his bowling weekly. Whilst batting, he had minimal wickets due to his blocking and added runs when available. In the field he has given 100%, running hard for balls and aiming well at the stumps. He has shown great improvement during the season.
Thomas Currie	Thomas has shown great development in his bowling and batting, his spin is baffling to the opposition at times and has paid off with 6 wickets and ranked 11th on economy rate with 1.73. His wicket keeping tenure was highly appreciated and his throwing got stronger with each game. A very considerate, polite and appreciated team member.

Dominic Fraser	Australia has 'The Don', but Marist will always have 'The Dom'. A master spin bowler who confused many opposition batters, he is 8th best wicket taker with 10, 8th lowest economy rate of 1.63 and 9th on average at 3.10 across all Canberra in stage 1 blue. He has also showed great batting prowess and contributed well to our totals. Dominic has a great cricket mind and has provided good analysis of games.
Joseph Imbriano	Joe is a quality all rounder that excelled throughout the season. He is known for motivating the team and organising fielding positions to keep the heat on the opposition. He warmed up over a couple of games to end up with 12 wickets and a 5Wi to become 1st ranked wicket taker in our team, 6th ranked bowler in all Canberra across our group. He provided a large number of runs during the season, stealing 1s and 2s vigorously with any partner he could find. On the field he is 110% committed and invigorates the rest of the team to that level.
Matthew Kumarasinhe	Matthew's bowling is devastatingly fast: he is not allowed to bowl to new team mates and has sent a number of opposition off field injured. With 5 wickets and 2.24 economy rate he helped keep runs low. If he can maintain line and length when bowling he will get many wickets and society will be safer. His batting has entertained many times with 12 fours and a total of 110, ranking him 2nd best across Canberra in stage 1 blue.
Leo Richter	Leo has only been with the team for a short period and has already made a huge impact. He soaks up the training and is an eager participant, even facing off against our fastest bowler with no fear. On his first game he took 4 wickets using sly, slow bowling and achieved a respectable batting total. Leo only brings smiles to the coaches and team mates faces, he is a nuclear explosion of happiness on and off the field. A worthy member in any team and any sport.
Cameron Smith	Cameron has proven to be another great all rounder this season. On the field, taking a number of catches and runouts. With his good length bowling he has reaped 4 wickets with 2.10 economy rate and in batting is ranked 6th out of 136, across Canberra in stage 1 blue with many runs courtesy of 11 fours. Cameron has been doing a lot of work in the nets during the season and this has paid off. He is a great competitor and will be valuable in any team.

Stage 1 Royal

TEAM PERFORMANCE: 5 Wins, 2 Losses, 1 Draw

The Royals had a cracking season of cricket (when we could play) that ran the entire gamut, from dominant performances and confident victories, to pressure cricket as we ground out tight losses. There was even an epic, rain-affected draw for good measure. Through it all, the boys have shown excellent spirit and commitment to each other, and have had a great time along the way. The highlights for the season include claiming two 5-fors in the first two matches, racking up big totals on our home ground at Marist, some really excellent fielding (with direct hit run outs being a regular occurrence for a while there), and the joy of hitting fours which all the boys enjoyed immensely at every instance.

The boys can take away some good lessons too. All the boys have seen the benefit of hard work through their own improvements. Our Royals better understand that, in cricket, sometimes you can work hard, do everything right, and still come away with a loss; and learning from those tough days is what helps you do better when the next challenge presents itself. And, from now on, all the 21/22 Royals will be wary of Weston Creek teams, who managed to get the better of us in all the matches we played!

Thanks to everyone who helped out with the Royals this year. Good luck to all the boys in their future cricketing endeavours!

IIIE I LA I EKS	
Kynan Dowling.	Ky hits the ball hard and batted strongly throughout the season, with one of the most consistent contributions to the team. His bowling has improved immensely over this season, with increased pace and accuracy. It has been great to see Ky enjoying his cricket and improving every aspect of his game.
Finn Duffy.	Finn came into the season full of enthusiasm and keen to develop, and he has certainly done so. Over the course of the season, he has improved his batting, bowling and fielding. A key development in Finn's game has been his work behind the stumps, with a confident stint in the gloves during the final innings of the season. And, of course, some encouraging leg-spin every now and again. Finn bowled the team's ball of the season, with a Warne like delivery against one of the Weston Creek teams, that floated nicely to pitch perfectly outside leg, and spun harshly to take the stumps. It was hard to imagine anybody in the grade would have had the skills to keep it out.
Reilly Fitzgerald.	This season was one where Reilly got amongst it all, with plenty of runs, a good handful of wickets, and massive pile of run outs and catches. There are plenty of strings to his bow and he has loads potential. While he is still a raw cricketer, Reilly's energy makes him a dynamic force within the team who is always keen to be involved in the game; if nothing else, cricket is a more exciting game to watch when Reilly is involved.

Nate Hamilton.	Nate is a natural cricketer, with (quite possibly) the fastest bowling in the competition and a very solid all-round game. The heat in Nate's pace bowling troubled every batter, including his own teammates. When facing Nate in a net session, they often asked the coach to get Nate to take some heat off his bowling in the nets. This was a great season for Nate in terms of runs and wickets, including taking 5/5 in December. Nate has kept expanding his skills this season, claimed a bag of wickets with his part-time spin bowling, and taking the Royal's only stumping for the season.
Hamish Henry.	Hamish made a spectacular improvement as an accurate left-arm bowler this year. From the jubilation of claiming his first ever wicket on the final ball of 2021 with a classic team catch, Hamish now takes wickets regularly, with increasing pace and accuracy. Hamish also showed great courage with the bat, taking on some of the best in the competition (and some loose bowling in the nets) with grace and skill and as a lefty he brought the prized disruption of having the left/right hand batting combination to the team to throw the opposition bowlers off their lines.
Leo Miller.	This year was disrupted for everyone in the team, but most of all for Leo, who only managed to get three games in during the season. Leo made the most of his limited opportunities, showing plenty of power with the bat and pace with the ball; although, his enthusiasm for wicketkeeping may see him reduce his bowling overs in future seasons. Hopefully a few more matches next season will see Leo improve even more.
Joshua Moody.	This was Josh's first season as a cricketer and he made excellent improvement throughout the season. Josh is a naturally strong leg-side batter, particularly through mid-wicket where he has made plenty of runs and hits a heavy ball. He has made terrific technical progress with his bowling through the season and will be well set for next summer. On top of all that, Josh has been a wonderful team player across all the ups and the downs of junior cricket, always looking for work and contributing to set up and pack up. He showed a natural leadership quality in his captaincy stint, proactively setting fields to blunt the strengths of opposition bats. Josh had an uncanny ability to get direct hits on the stumps at training drills and in the field during games, which definitely contributed to the assessment of a few opposition teams that the Royals were the best fielding team they had come up against.
Liam Morrison.	Liam put the entire competition on notice in his very first match, taking 5/2 at Canberra Grammar. Since then, Liam has consistently made excellent contributions with the ball, keeping a nagging, tight line and forcing the opposition batters to play. He has also made a massive contribution with the bat. Liam's excellent technique, good running and shot selection made him our hardest batter to dismiss, putting a high value on his wicket to give away few penalty runs to the opposition, and shows great potential for the future.

Stage 1 Sixers

TEAM PERFORMANCE: 1 win, 5 losses, 6 draws.

The Sixers had a fantastic season in 2021-22 highlighted by huge improvements in skill levels for all players. Coming into the season, most players had never played single game of cricket. Therefore, while the focus of the season was on learning the basics, the main goal was on having fun and enjoying each aspect of the game of cricket

- and on appealing 'Howzaaat!' at every chance. To this end the Sixers

excelled. They trained hard and applied themselves to batting, bowling, catching and fielding, with the coke bottle challenge featuring in most training sessions and leading to many runouts during the season.

The team comradery that developed over the season was excellent and ensured that each player was supported by his teammates and continually encouraged to bowl better, to bat better and to field better. The way in which the boys conducted themselves on and off the field was in the spirit of the game and they should be commended.

The best thing about the season though was the boys' attitude. Everyone did their very best at every opportunity. They showed grit and determination when faced with adversity, and they were gracious regardless of the result. The boys loved playing cricket so much that if they were allowed to play in the rain they would have. Congratulations to the Sixers on a great season.

Cameron Dennis	Cameron played with patience and brought a positive attitude to every
	game. He was McGrath-like calm when bowling, and showed poise
	and control when batting, smashing bad balls away.
Henry Denny	Henry's happy attitude was infectious and kept the team's spirits
	high. His 'one-step' bowling yielded wickets, but the feature of his
	game was his Warner-like slog sweeps down to cow corner.
Noah Johnston	Come in leg spinner. Noah had a good season with the bat, but it was
	his leggies that stood him apart. Warnie would have been proud at the
	way he bamboozled batsman with his ferocious spin.
Jack McMahon	Jack was a picture of focus all season. Batting, bowling and in the
	field, he always had his eyes on the ball. He cut the ball like Boonie
	and his encouragement of others was constant, elevating the team's
	performance.
Hayden O'Mara	If catches win matches, then Hayden won a few with his Mark
	Waugh-like hands bagging a bunch this season. With the bat hand he
	scored runs aplenty, and bowling he regularly knocked down the
	stumps.

Harry Thompson	Harry's 'never give up' attitude saw huge improvement in his
	bowling and batting. His Gilchrist-like keeping was on point and his
	positive chat on the field was uplifting, making everyone play better.
Ethan Warner-Payten	Ethan's bowling was accurate and batting stoic in the face of multiple
	body shots. His keeping was sharp too, but it was his Ponting-like
	speed between the wickets and energy in the field that stood out.
Harrison Wright	Harrison had a great all-rounder season, with runs and wickets galore.
	He showed leadership on the field and has a laser-like arm. Most
	memorable though was his Jonty Rhodes-like catch in the last game, a
	KFC classic catch for the ages.

Stage 1 Stars

TEAM PERFORMANCE:

Season 21-22 marked the beginning of the cricket journey for seven young players coming together in the Stage 1 Stars.

This was a really fun season marred in parts with unfavourable weather, the boys always super keen to play.

The boys as a group had a fantastic skill set, good catchers, good awareness in the field, and for a group of 10 year olds, the standard of batting and bowling was very high. I have no doubt we will see some of the players from this group playing some high-level cricket in the seasons to come. Of the games we played, we lost only one, having played with 5 players.

The team was a joy to be involved with and a great group of parents also, all keen to be a part training and the games.

Thanks to Monica who managed the team.

Looking forward to seeing the boys progress in the coming seasons.

THETLATERS	
Yevin Bandara	Yevin is an enthusiastic member of the team, progressing well during the season, especially with his bowling. Good awareness in the field. Yevin took some good catches including a couple of great caught and bowled. Yev was handy with the bat, displaying a great defence and a great cover drive. Yev had a threw the gloves on a few times during the season showing some potential behind the stumps. Going to be a good cricketer.
Eamon Campbell	Eamon received the team bowling award, bowling with good pace and increasing accuracy as the season progressed. Eamon was reliable in the field and had some good games with the bat also. Another member of the team who couldn't wait for Fridays. Well done Eamon on a great first season.
Xavier Honan	Xavier started the season well and made notable progress in all areas of the game. Xav has excellent awareness in the field and a good strong throwing arm, effecting some good run outs during the season. Some fantastic catches also. Xavier's bowling improved markedly in the latter part of the season and his batting was very good, scoring strongly on the leg side. Strong all rounder potential in the coming seasons.
Thomas Kelly	Due to weather and the goings on of the times, Thomas didn't get to play many games, when Thomas did play he was a popular member of the team contributing strongly in all areas of the game. Hoping to see Thomas get some more cricket in next season.
Ruhan Khanna	Ruhan is a popular member of the team making a solid contribution across the season. Ruhan tried his hand at keeping on a few occasions, showing some progress in this area. Ruhan absolutely loves cricket and will feature for Marist going forward I'm sure.

William O'Brien	Will is a popular member of the team contributing to the team in all areas, a good catcher and fielder. Will often liked to experiment with his
	bowling, switching between leg spin and pace, having some success with
	both. A great first season Will. Well done.
	Uvindu was the teams most outstanding batsmen, playing some great
	knocks throughout the season, a great technique with shots all around the
Uvindu Weerasinghe	wicket. Scoring strongly in most games Uvi ensured our team posted
Ovindu weerasinghe	competitive scores. Uvi was a valuable contributor in the field and a
	leader with the ball also. Well done on a great first season Uvi, looking
	forward to watching your progress.

Stage 1 Strikers

TEAM PERFORMANCE: 1 Win, 6 Losses, 5 Draws/Abandoned

Needless to say, the weather thwarted many teams' ability to build momentum at the start of the season (2021). Thankfully the 2nd half of the season (2022) allowed for more game time and fun for the boys. The Strikers team formed with several new Marist students and was an amazing

environment to make the intimidating and confronting process of starting a new school more enjoyable.

With a nice mix of year 4, 5 and 6 boys we set about blending the unique mix of cricket knowledge and skills into a Strikers 'brand'. What we wanted to be known for is good sportsmanship in all environments, and we've made excellent inroads to build on in years to come. While our win/loss ratio is a low percentage, the enjoyment and growth in the boys was 100%. Cricket games can be a slow affair, especially in the junior development years. We therefore placed more weight on making training sessions more engaging and fulfilling. While 'rolling their arm' over and having a bash at training, the bowlers enjoyed the challenge of aiming at a cone on a good length only for the batters to ask how they score points in this training game... alas the coach hadn't thought that far ahead!?! While target practice at the bright orange single stump was fun and a solid foundation skillset, the boys were often more interested in the sharpness of the stump spike and the springy setting allowing them to use the stump as a punching bag of sorts. Overall, cricket is a team game like many others that relies on the effort of many to be a success. Thank you to Matt Scholtens for his support to many coaches; to Kate Barrett for always stepping up to score our games; to Ben Donaldson for donning the Assistant Coach hat; and to the parents for supporting the boys in attending training and games, getting their team kit in order and entrusting me to ever so slightly influence their growth as fine Marist lads.

Tom Barrett	– as the team elder Tom set the standard for hard hitting and fast bowling. He'll
Tom Burrett	be missed as he moves up to the next division.
	 handy with bat and ball, Josh developed on both fronts nicely. Observing him
Joshua Donaldson	wrestle with a picture perfect technique and swing the bat freely without
	inhibition was entertaining as he finds his batting style.
	– as he battled bowling with a bent arm, Landon did really well in finding a
Landon Hankin	technically sound bowling action. His energy in the field and strong throwing
	arm will have batters on their toes for years to come.
	– always quick to have a chat with his teammates, Ben did a great job
Benjamin Howarth	improving bowling, batting and field so he'll be able to approach these key
	disciplines with more confidence in the future.

MJ Malan	 lighting quick on his feet and full of energy, MJ bowls fast and hits far. Probably best known for his eagerness to cover the entire field. MJ couldn't help but run from one side of the pitch to the other to field the ball quicker than his teammate way closer to the ball.
Saxon McVie	 with no foundations in batting technique it was fun seeing Saxon instinctively bat, relying on his excellent hand-eye coordination. He prided himself on trying to bowl the most accurate and loves being a great fielder.
James 'Jimmy' Pascoe	 unlucky to miss a lot of the season, Jimmy is a pleasure to play sport with. His eagerness to learn and act on feedback is commendable and was reflected in his good bowling and batting skill.
Thenuk Silva	 a massive improver in bowling and batting with immense passion for cricket, Thenuk is one to watch in the future with his stylish batting style complemented by great timing of the ball. Handy left arm medium pace bowling will make him a real asset to any team in years to come.

Tom Barrett wins the Strikers batting award for his aggressive 'hit 4's **Batting Award:**

first' style, which came through beautifully against the Marist Royal

with a season high 29 runs.

MJ Malan wins the Strikers bowling award for the value he brings **Bowling Award:**

through his slingshot action and feisty fast bowling at this early stage

of his cricketing career.

Coach's Award: I value and recognise players who are always respectful to their

teammates and coach, who always do their best, as well as being a

constant wave of positivity and encouragement to those around them.

Thenuk Silva is a worthy recipient of this award.

Stage 1 Thunder

TEAM PERFORMANCE: 3 wins; 4 Losses; 5 Draws.

Overall, it was a great effort from the Marist Thunder. As was the case for all teams, we were badly impacted by La Nina and Covid-19 isolation requirements. At times, we struggled to get a team together and for the boys to get consistent practice and gameplay that is so important for their skill development.

Despite the lack of continuity, all boys showed noticeable improvement throughout the season and I am sure they will carry this through to next season. Some of the standout improvements included running between wickets and fielding, especially backing up to prevent overthrows.

The boys gelled together very well and played all games in the right spirit. It was also great to see the excitement and passion the boys have for the game and the pride they have in playing for Marist.

Even though we had more losses then wins, there are so many positives that we can take out of the season. All in all, it was an excellent start to the boys' cricketing journey.

THETLATERS	
Ryan Brown:	Ryan worked hard on both his batting and bowling throughout the season. He has a nice straight bat when playing his shots and is solid in defence. Unfortunately, Ryan missed out on a number of games and was unable to get the game-play needed to enable further improvement.
James Corson:	James is a pleasure to coach. He is a very good listener and tries to apply everything the coach says. He works hard on his game and showed some great improvement throughout the season. The standout improvement was James' bowling accuracy and ball speed. Batting-wise, James learned to play the hook shot during the year and opened up the onside of the field to improve his run making ability. James was the recipient of the Coach's Award for his efforts throughout the season.
Lachlan Field:	Lachie was our top wicket taker and the recipient of our best bowling award with some great bowling throughout the season. A highlight for Lachie was when he bowled a wicket maiden in the last over against the Marist Sixers to win the match for the Thunder. Lachie also took the catch of the season, taking a one-handed screamer at full stretch against the Tuggeranong Cobras.
Jack McDonald:	Jack was our best batsman award recipient, topping the run count and showing huge potential with the bat. Jack is a stylish player with good technique and stroke making ability. Jack also bowled very well through out the year and was our second highest wicket taker.
Aaron Pollock:	Aaron has a super positive attitude and passion for the game of cricket. He is always the first to put up his hand when the team needs him. Aaron improved tremendously throughout the year in both batting and bowling. Aaron will need to continue to work hard on his game to ensure the improvement throughout the season carries through to next season.

Rupert Reid:	Batted superbly all year and only just missed out on our batting award. Very strong onside player with excellent timing and power in his strokes. Rupert's bowling greatly improved throughout the season and he is sure to become a very handy all-rounder in years to come. Rupert almost knocked Lachie off for the catch of the season when he dived desperately to his right to take a catch only to have it spill out of his hands when he hit the ground.
Oliver Tarbuck:	Ollie is a fast left-arm bowler that is a genuine wicket taker when he is on his game. When Ollie improves his accuracy he will be a force to be reckoned with. Ollie had the best bowling figures for a single match, taking 4/23 and setting up a great win for the Thunder. Ollie also showed potential with the bat and will no doubt improve this area of his game in future seasons.

Stage 1 Graded

TEAM PERFORMANCE: 9 wins; 2 losses, 2 draws.

The Marist Stage 1 Graded team had a very good season, ending up Runner Up.

In what was a very weird season due to the inclement weather, we only managed to get 11 games in for the season including finals.

The season started with a 13-run loss off minimum preparation, this loss highlighted the boys improvement over the course of the year, as they flipped that result to win by 9 runs over the same opposition in the Semi Final. The main difference being their efforts in the field, in particular limiting overthrows care of backing up.

The middle parts of the season saw Marist dominate most games, regularly taking over ten wickets and scoring over 120 runs off the bat. We normally batted second, and with runs awarded for wickets we were always close to the oppositions target by mid-way through our innings.

Thank you to George Denny for assisting me with the coaching, Kylie Denny for managing, and all the parents who assisted throughout the course of the season.

The boys were a pleasure to coach and I look forward to watching them progress over the coming years on their Marist cricket journey.

IIILILAILKS	
Patrick Bartlett	Little Paddy is a stylish batsman with rock solid defence, often opened the innings to give us a solid start with no loss of wickets. Very deceptive with his bowling, won the bowling award with 16 wickets (5th highest in the Graded Competition), from his low height the ball skidded past many an unsuspecting batsman, best figures of 4-13.
Arnav Batra	Arni bowls fast and goes big with the bat and has a rocket launcher for an arm. All round talent. Arni excelled in both finals scoring a total of 59 runs over the two games, 38 in the GF, his final shot of the season a massive six, his third 6 for the innings. Arni also contributed with his bowling (11) including best figures of 3-11.
Xander Denny	Xander performed with both bat and ball, 12 wickets and 146 runs. Xander's batting improved out of sight care of a home batting cage set up. In the back half of the season Xander was hitting multiple boundaries and clearing the rope on the full plenty of times. Chosen to captain in the finals by his teammates.
Griffin Hyde	Another all rounder, Griffin loved bowling fast and smashing 6's. Amassed 225 runs with the bat (3rd highest in the Graded Competition), a high score of 35, often getting us in positions to cruise to victory. Griff also chipped in with 13 wickets including a 5 wicket haul best of 5/19. Great contributor in the field making plenty of run outs and kept wicket well.

Kalindu Karunaratne	Kalindu contributed across all aspects, 14 wickets with a best of 4-11. Kalindu performed better as the season progressed he scored 131 runs with a high of 17 coming in the GF. Kalindu worked hard on his game and reaped the rewards in the latter part of the season.
Mathew Polgolla	Matthew bowled fast, always coming in nice and close to the stumps to bowl stump to stump. Took 10 wickets, deserved more, best of 2-1. With the bat he scored 141 runs, improving through the season, hitting the ball harder as the season progressed. Hit some classy boundaries in the back end of the season, high score of 21.
Efrem Tijo	Very classy cricketer all round, bowls fast off cutters which for the most part were too good to take wickets. Left hand batsman who opened in the back part of the season to get us off to a start by protecting his wicket, with good technique.
Harry Whalen	Marist Junior School Cricketer of the Year, 256 runs (leading run scorer in the Graded Competition) and 14 wickets. Harry was consistent across the whole season, taking one or 2 wickets a game and hitting 20 odd runs off his 15 or 18 balls. Had a high score of 34, but his best innings was in the GF, 30 runs including two 6's, no outs and extra runs by taking on the fielders.

Stage 2 Saturday Blue Premiers

TEAM PERFORMANCE: 8 wins; 1 loss, 1 draw.

A fabulous season with all boys showing enormous improvement in all facets of the game. The efforts and attitudes at both training and in our games were a credit both to the boys but also the families of all involved. There was a constant focus on the spirit of cricket, living the Marist values – all ahead of the end result. Notwithstanding this, the boys were extremely pleased to get the ultimate result and win the premiership – this was a huge relief for a number of them (and a number of parents) who had been beaten in the previous over the season prior.

An enormous thank you must also go to all parents, grandparents, aunts, uncles and even pets that showed up during the year. This helped create a fabulous environment for the boys to play and express themselves on a Saturday morning.

There were some outstanding individual performances during the season, none better than Sam Ryan's batting against Grammar where he slayed their bowlers, including their representative players, all over Hughes oval. Ben Callaway was an absolute standout with the bat and we look forward to watching him develop further in the years to come.

This was an amazing team to coach and the season was extremely satisfying for all involved. The grace and class in which the team won the Grand Final was a great example of the mindset of this fabulous team. A big thanks should go to Meghan for her commitment to the job as manager, her communication and attention to detail made my job so much easier and allowed the boys to focus on their cricket.

THE PLAYERS

Reuben Belcher:

Reuben had an outstanding season with bat, ball and his fielding was something that drove us towards the premiership. A fierce competitor with natural skills and an attacking mindset, Reuben stood up when we needed him most and two of his last three innings were game changing. His attitude at training and work ethic to get better rubbed off on all of those around him. His off spin in particular was a pleasure to watch develop and we can't wait to watch Reuben continue on his cricket journey.

Archie Brown:	Archie had a fabulous season with bat, with ball and when keeping wickets. He again stepped up in the finals and his batting was often key for holding our innings together. His leg spin continues to develop as he tries to emulate his hero Marnus Labuschagne. Archie plays with his heart on his sleeve and is deeply passionate about the Marist Cricket Club. We loved watching him play and we look forward to watching his career continue to continue to develop.
Ben Callaway	Ben's season was simply outstanding. Only out twice for the entire season, Ben was a class above all bowling. He played with enormous freedom on both sides of the wicket and reminded many of the spectators of a young Steve Smith. His attitude was outstanding, he was a pleasure to coach and both he and his lovely family should be extremely proud of the amazing season that he had.
Danny Coffee:	Danny was a coach's dream. Always training and playing with a smile on his face, Danny was instrumental in our success this season. He played with a mindset of fun versus result and this had an impact on all associated with the team. Danny's left arm pace is an outstanding asset for any team and his batting continues to thrive. He took a number of amazing catches during the season that we were all proud of and there was no more deserving member of our team to get a premiership pennant that Danny. A big shout out to his mum Lynn for her support during the season as well.
Tommy Dawn:	This kid is of good stock and he was an outstanding contributor in his first season at Marist. Both his father and uncle were outstanding ACT cricketers and Tom looks destined to follow in their footsteps. His efficient and clinical bowling action sees him bowl outswing at good pace and his ability to attack the bowling with bat in hand took the games away from many opposition players during the year. He was a deserved most improved award winner and the support of his parents and grandparents was something that we all valued enormously.
Jacob Garrety:	A genuine all-rounder who really stepped up in the back half of the season. Jacob's effort at training was outstanding and he was rewarded for this by hitting the winning runs in the Grand final. Jacob's bowling improved on previous seasons and at times he showed the enormous potential he has as a batsman. He is an outstanding team man and we can't wait to watch his game continue to progress. was consistent and his performances were always at a level that his many fans on the boundary were proud of. Jacob is a natural leader and played with passion throughout the year. A star of a player, a pleasure to coach and Jacob has a big future in front of him.
Matthew Garrety:.	Another great season for this up-and-coming fast bowler. Matthew stood up when we needed him, particularly at the pointy end of the season. His potential has been rewarded through being included in the representative programs. His batting towards the end of the season was outstanding and his attitude was always respectful with the spirit of cricket and the values of Marist always front of mind. Watch out for Matty in the future – he is going to be an outstanding player

Kiaan had a terrific year with both bat and ball and his hands in the field throughout the year were nothing short of outstanding. Kiaan has an amazing eye and complemented this talent through demonstrating a high price on his wicket. His presence at the crease was felt by all and his left arm spin is something that the team turned to when we were desperate for a wicket. Kiaan is an unbelievably natural cricketer and is a pleasure to both coach and watch. He is a name to keep an eye on in the future. A tall all-rounder with enormous potential, this year saw Sam really develop his game. His innings against the highly touted Grammar outfit was something that will be long remembered, including the lofted shots down the ground off the opening bowler. Sam has an appetite to lead and this was no more on display when he used his tactics in leading the way in winning the Grand final. An outstanding listener and will make many contributions to the Marist cricket teams in future years, all of which will make his family proud. Wow, what a season he had. He was an enforcer with both bat and ball and put the fear into many players with his raw pace with the ball and his attacking style with the bat. He was composed in the grand final when we needed a steady hand and was often the bowler that we turned to when we needed to break a partnership. Edwin has an amazing natural game and we can't wait to watch him in the blue and blue cap for many years to come Cade Brown Coach Meaghan Carmody Manager

Stage 2 Saturday Gold

TEAM PERFORMANCE: 11 Wins, 3 Losses

Saturday Gold welcomed several new players to the team this year. Given the many disruptions, the team quickly united and played well throughout the entire season. The level of cricket played was extremely impressive. Each team member developed as a cricketer in all areas. The boys developed the ability to hit genuine cricket shots all over the ground. Many of

them learned the art of seam/swing or spin bowling. The fielding was next level, very few catches went down all season and the boys hit the stumps on many occasions for run outs. Each boy had a role to play and successfully fulfilled that role. Through all the disruption the boys successfully made the grand final which went down to the third last ball of the innings. Although they did not quite get the win, they all performed extremely well and did themselves proud. It was terrific team effort. A huge shout out to all families. Thank you for the support you all provided on and off the field.

THETLATERS	
Zac Callaway	An excellent all-round cricketer. Zac joined the team this year. He quickly found his place as a quality opening batsman who could quickly up the tempo when required. Zac, a left arm bowler troubled many batsmen with his ability to swing the ball. Later in the season he demonstrated real potential as a future wicket keeper.
Amir Rezaie	A very talented cricketer with the bat and the ball. Amir found his spot in the batting order at number 3. He batted with style and class often hitting a big ball. When bowling Amir had the ability to always take the key wicket when the team required it. Amir worked hard on his cricket this year and was rewarded with the coach's award.
Dominic Shoebridge	Dominic joined the team this year, quickly fitting in. He is a very dangerous bowler that bowls with consistency. Always a good line and length. He bowled particularly well in our T 20 games taking an impressive 5 wickets. Dominic is very reliable with the bat, playing some important innings late in the season. He is very strong in defence and very difficult to dismiss.
Oliver Henderson	Oliver has the ability to bowl high quality pace or spin bowling. He successfully was able to switch from pace to spin depending on what the team needed. Oliver bowled well all season finally getting the reward he deserved with a 4/2 in wet weather in the last game of the season.
Gabriel Louis	Gabriel is a very talented cricketer. He is a technically correct batsmen who can play shots both forward and backward of the wicket. Gabriel bowls with pace and accuracy. He successfully swings the ball and troubles many opponents.

Logan McRae	Logan, always gives 100%. He bowls with pace and can swing the ball. Logan hits the ball hard when he bats. His practise and efforts with the
	bat were rewarded with a quality 50 this season against Tuggeranong.
Thomas Smith (C)	Another terrific season for Thomas. Always reliable with the bat to set the innings up for the team. He bowled well all season successfully moving the ball both ways. A highlight of Thomas's season was his captaincy. He showed real leadership understanding the game with both field and bowling decisions.
Marcus Sykes	Marcus is a very reliable left arm bowler, who constantly can hit a quality line and length. He took some very important wickets in all formats of the game, particularly in the finals. With the bat he is another hard hitter, that particularly showed his class in the T 20 games.
Abhayan Tharmarajah	Abhayan is a hard-hitting batsman that dominates the competition. He scored a total of 445 runs this season in all formats that he played. Abhayan bowls fast. He is controlling the ball well and making it hard for batsmen to play. Another terrific all-round season.
Jack Whalen	Jack a hard-hitting middle/ top order batsmen that could change the game in one over with his ability to hit boundaries. He has also developed the ability to defend and play high quality cricket shots to compliment his hitting abilities. Jack was always reliable with the wicket keeping gloves.

Stage 2 under 12 Light

TEAM PERFORMANCE:8 losses, 3 draws

Marist u12 Light made the most of the season to improve their bowling skills and their teamwork in the field. A third of the players in our team were first timers to competition cricket, few had played together, and rarely a match went by uninterrupted by illness or injury. But the boys persisted, working on their individual technique and finding their niche within the team. By the end of summer, they were bowling far straighter and truer,

reducing their extras by more than two-thirds. They had improved their staying power at the crease, were backing each other up more in the field, and were sharing runs and wickets more evenly across the team. They played throughout with good humour and camaraderie, turning up for training, bouncing back from setbacks, and taking real pleasure in the game.

While they grew as a team, there were also plenty of individual highlights through the season: Tom Farrell's two wickets in one over against WCMCC, Patrick's 89 against ANU Red, Tom Bolton's flair as wickie, Jonah's transformation as batter and bowler, Will's hits to the boundaries, Hugh, Sajan and Adhavan's lovely clean bowls, and Yohaan and Armand's stamina and skill as last batsmen standing.

Thank you to Prakash for the many, many hours spent in the nets and field as coach and umpire, setting the boys up so well for their next season. Thanks too to Martin and Charles for scoring, Bala for acting as square leg umpire and substitute coach as needed, Glenn for helping out in practice, and the many subs who stepped in at short notice to boost our numbers.

Thomas Bolton	An excellent team player and always willing to listen to advice, Tom was an excellent wicket keeper for the team. His energy rubbed off on his teammates and his bowling proved to be handy to keep runs down or for getting the occasional wicket. Tom also made sure he was hard to dislodge while batting and was always looking for a quick single.
Tom Farrah	A good player with the right technique, Tom was always looking to take on the bowlers and it showed when he top scored with 44 against Radford. His bowling was consistent on line and length and he was unlucky to not get more wickets.
Patrick Geddes	A stylish batsman, Patrick showed his range of shots in his first game of cricket as he hit his top score of 89. As a bowler, Patrick tested batsmen's techniques, was consistently on the stumps and recorded several maiden overs, keeping the run rates down.

Armand Lisman	Another first-time player, Armand developed his batting and bowling throughout the season such that he was entrusted to be the opener in the last few games. He thrived in his new role, scoring runs and putting a high prize on his wicket. With his bowling, Armand was tidy and consistent, ensuring he was not giving away any run
Jonah Mclaughlin	From not holding a bat or ball at the beginning of the season, Jonah was willing to listen and improve on his batting and bowling. The hard work paid off as he hit his top score of 12 in the last game. With his bowling, Jonah pushed himself to improve his accuracy and by the end of the season he was very economical.
William Noordewier	A good wicket keeper, Will was an accurate bowler and handy fielder who put every effort while playing. He also worked hard on his batting and provided useful runs for the team throughout the season.
Yohaan Paniker	Another first-time player, Yohaan was a willing listener and worked hard on his game in the nets during the practice. By the end of the season, Yohaan was putting all the practice to good use as he top scored for the team and proved accurate with his bowling as well. He also inspired others in the team while fielding with his constant encouragement.
Ragsajan Rajkumar	The runs that Sajan scored do not tell the whole story of his contribution to the batting. He would always cajole and push his batting partners for runs and his loud calling ensured everyone knew whether a run was on offer or not. As a bowler, his bowling style mesmerised the batters and cost many of them their wickets. He used the height he got from his balls and the drop he would obtain to the team's advantage. Sajan was also conscientious with his training being the only player who turned up for every training session.
Adhavan Sundar	A classy player with bat and ball, Adhavan was unlucky not to score more runs or get more wickets during the season. Often tasked with opening the batting, he would most often face the opposition's best bowlers which did not allow him to capitalise as he could have. On the field, he would also be faced with a well-set batsman and he kept the runs tight and chipped in with wickets.
Hugh Treloar	Hugh continued to improve from his previous season and was a strong left arm pace bowler who tested opposition batsmen with his accurate bowling. Except for a run of ducks in the middle of the season, Hugh was a solid batsman who contributed solidly to the team's totals.

Stage 2 under 12 Royal

TEAM PERFORMANCE: 5 Wins, 3 Losses, 3 Draws (Washouts)

Marist Royal was a new team this season with a mixture of experienced players and those who had never played before. As a result, it took a while for the boys to find their feet. They were competitive against Weston Creek and St Edmunds, and

were only outplayed by the eventual champions, Queanbeyan.

After these early losses, things started to click as the boys put their training into practice. The team showed significant improvement in their running between wickets and in the way they supported each other in the field. They learned to value their wicket in a competition where there were no second chances, and their line and length with the ball improved. The boys comfortably won their next five games and narrowly missed out on a finals berth.

The boys should be very proud of their achievements this season. I thought that every one of them improved their game and contributed to the team's success.

The boys showed tremendous sportsmanship, respect for their opponents and an understanding of the spirit of the game. They were encouraging to their teammates and their opponents and they were a pleasure to coach.

Thanks to Craig for managing the team and for his reliable field markings each week. Thanks also to all the parents who supported the boys, who volunteered to help whenever we needed it and created a fun and enjoyable environment. I hope and expect that the boys will be back again next year.

Archer Burroughs	Always a solid contributor and a great team player. Archer produced his highest score of the season against Marist and gave a glimpse of what he is capable of. Keep working hard Archer!
Xavier Carpenter	Xavier scored 40 runs and took 3 wickets with best figures of 2 for 7! Xavier was terrific in the field both with the gloves and without. A great all-round effort this season – well done!
Lucas Clifford	Lucas was one of the team's standout performers this season. 79 runs at 26.33 and 9 wickets at 3 is a brilliant return. In one memorable performance Lucas scored 35 runs and took 2 wickets for 2 runs. Bigger things ahead Lucas!
Hudson Hall	This was Hudson's first go at cricket and from the very first game he put a high price on his wicket and could be relied upon to see off the new ball when required. Hudson's bowling improved with each outing and finished with a final match return of 1/8 off 3 overs. Terrific work Hudson!

Christian Honan	Christian received some great deliveries early in the season which kept his batting average down. That all seemed to turn around when he took the captaincy in a match against Radford and he showed great leadership skills. Christian's positivity is infectious and a real team asset. Keep it going Christian!
Henry Hyson	Henry had a bumper year scoring nearly 100 runs at an average of 19.40. Henry also took 3 wickets and was very miserly with the runs. Our best fieldsman, Henry took 4 catches and always kept the batsman on their toes in between wickets. Outstanding Henry!
Harshith Posanipalli	Harshith was always keen to learn and showed steady improvement throughout the season. Harshith improved the line and length with his bowling to the point where his last match produced 2 overs for just 3 runs. Great perseverance Harshith!
Ishaan Shah	What a season Ishaan had! 115 runs at an average of 57.50 and 10 wickets at 4.60! In one of our toughest matches of the year against St Edmunds Ishaan took 4 wickets and scored 26 not out, only to see us go down in a nail-biter as a result of an unsporting Mankad. Absolutely terrific Ishaan!
Levi Thornton	Levi started the season very well with 9 runs and 2 wickets and kept his standards high throughout. Levi gained an extra yard of pace with his bowling over the holiday break and was solid when keeping wickets. Nice work Levi!
Oliver Wilson	Another of our outstanding all-rounders, Oliver returned 49 runs at 9.80 and took 7 wickets at 7.57. Oliver had a great finish to the season scoring 43 runs and taking 6 wickets in our last 4 games. A standout performance was 25 runs and 2 wickets against Radford. Super stuff Oliver!

Stage 2 Under 13 Blue

TEAM PERFORMANCE:

Once we hit the field this season the boys quickly realised that Team was far more important than

individual performance and that become the main focus of

development for the year. And a great team we sure became. Always having each other's back and striving together to improve. Liam, Dom, Jimmy and Jackson had played together for the last few seasons with Xander filling in when the team was short over the last two seasons. Zac, Veer, Able and Jacob were playing their first ever season of Cricket while Fraser, starting at Marist in 2022, was

returning to the sport after a season off. These boys were all keen cricket followers and excited to play their first game for Marist. Four rounds in we finally got the chance to take the field. In those first couple of Games the new players quickly learnt the harsh reality of stage 2 cricket and 'out is out' Training and waiting weeks for your first walk to the middle, only to return a few balls later, quickly showed the value of a strong defence and the need to take your time and build an innings. As well as the requirement to work with your batting partner and communicate clearly, something we continued to work on all season.

Although we had some low batting totals early in the season, the team ethos was strong and we were solid in the field with our bowling being very tight on the extras most weeks. This led to some great wins, despite that looking unlikely at the innings break.

In the second half of the season our training and hard work began to pay off with a number of boys reaching the retirement mark in numerous games. We also welcomed Charlie to the team, another keen cricketer who had not seen any game time in the last two years having been living in Singapore.

More rain interruptions and a last over loss to Grammar in a game with 323 runs scored left us missing finals this year. But the individual improvement alongside the gelling into a great team left the coach, parents and supporters very proud of the boys' efforts across the season. The boys all said they enjoyed their cricket and look forward to another season next year.

Veer Ahuja	was new to cricket this year. Clearly a keen cricket watcher and backyard
	player in the past, Veer has a great bowling action, fast and tight. He has all
	the shots in the nets, and after some bad luck and first year nerves in the
	middle started to learn to build his innings and not over think it too much.
	Always aware in the field, Veer really started to build his game craft,
	watching the opposition and calling changes in the field when required.
Xander Denny	is an under 11s player who was our fill in whenever the team was short
	across the season, playing seven of the nine games this year. Xander is a
	very accurate medium fast bowler, sharp fielder and emerging batsman. He
	took a number of wickets with the ball both off his bowling and with direct
	hit run outs.

Liam Denny	loves playing cricket and being part of the team. He has knack of fooling
	batsmen to go after his bowling, leading him to be our equal second highest
	wicket taker for the season. Liam also improved his batting this year,
7 77 111	carrying his bat on two occasions.
James Frilingos	is a handy all rounder. Strong with the bat, particularly in the middle order
	when the score board needs to tick over a bit quicker. He is very fast
	between the wickets and plays some great shots. His bowling is getting
	faster every year, still holding his accuracy and giving away few extras. He
Jackson Hillsdon	is fast and dynamic in the field, with a great arm from the boundary. was solid all year, particularly with the bat. Opening the innings most
Jackson minsuon	weeks, he took on the opposition's best bowlers with consistency and the
	patience needed in that role. He bowled consistently and tightly, giving
	away few extras across the season. He is excellent in the field, safe hands, a
	strong arm and always looking to back up and help do the team things.
Dominic Honan	is another great team player. His bowling went to another level this season
20mme Hondin	showing some real pace and genuine swing. His batting also improved
	again this year with some power hitting straight down the ground. His
	innings of 32 against Grammar, with 2 fours and six in a single over, kept
	us in the chase and brought the game to a last over finish.
Jacob Hughes	was another player new to the game this season. He was a keen wicket
	keeper from the start and took to the gloves like a natural. He took 6
	wickets caught behind and stumped across the season and would gladly
	have kept the full 30 overs each week if the rules allowed. He worked hard
	on his defence in the nets and he quickly developed into a reliable opening
	batsman, seeing off many overs from the oppositions best attacks and
	retiring after 30 balls on 4 occasions.
Zac Oyston	was also new to game this year. A keen sports man, Zac fit right into the
	team and started building his skills. His bowling was dangerous from the
	start, taking 5 wickets across his first three games. He grew in confidence
	with the bat and his innings with Charlie against ANU lasted 12 overs and
	more than doubled the team's score, allowing us to go on and win the
	match. Zac took the gloves and kept with skill in our last game, with plenty
Abal Sam Sain	of good-hearted banter for the opposition. was also in his first season of cricket this year. He worked hard at training,
Abel Sam Saju	particularly on his batting. He was a reliable bowler, taking 4 wickets
	across the season. Abel is also great in the field, safe hands holding catches
	that came his way and effecting two run outs. His work at training was
	evident with his batting improving and able hitting the boundary a few
	times in later games.
Fraser Smith	was new to Marist starting in the new year, so joined us knowing no one.
	He had played some stage one cricket but had missed the previous season
	or two. He came with a fantastic attitude, always ready to listen and learn.
	He was not afraid to have a go, offering to open the batting a few times
	when others were not so keen. He played some solid knocks, seeing through
	his 30 balls in two games. His bowling improved dramatically across the
	season, a tricky mix of slow to medium flighty balls, and by season end he
	was our highest wicket taker. His positivity, even in the tightest of
	situations spurred the boys on and he was a great team player.

Charlie Wall	joined us in the second half of the season after retuning from a number of years overseas, most recently in Singapore. Given the COVID rules in Singapore, Charlie had not been able to compete in team sports for 2 years and clearly enjoyed being back in the team environment. Charlie has a solid bowling action, with some great pace for his age. He listened intently in the nets and his batting confidence increased dramatically. His innings with Zac against ANU, lasting 12 overs and more than doubling the team score helped saved the game. Charlie was a welcome addition to the team and we
	look forward to sharing a full season with him next year.

Stage 2 Under 13 Light

TEAM PERFORMANCE:

The Stage 3 Marist Light team only managed to play in five completed games this interrupted season, but showed a lot of promise and skill in those games. Many of the team had played together in prior seasons, and we also welcomed some new players to the game. All players contributed to the team throughout the season, with each player also improving their skills along the way. The team was unlucky not to make the finals with a mix of wins and losses, with a couple of very close losses proving costly in the end.

There were many positives to take from the year. The team showed great development with both bat and ball through the season. The bowling was a strength of the team being able to bowl out the opposition in a majority of the games. The batting developed through the year, with the boys learning the need to construct an innings. The highlight of the year was a hard-fought win over ANU in the final game of the home and away season, going down to the last over of the match. Overall, it was pleasing to see how the boys supported each other and took enjoyment out of each match.

The team always played within the spirit and rules of the game, and they should be proud of their approach to the game. Well done to the boys for maintaining their enthusiasm and passion for the game in such a challenging season. We look forward to watching the boys playing for Marist into the future.

Stage 2 Under 13 Royal

TEAM PERFORMANCE: 5 Wins; 3 Losses.

It was a good season for the boys. Taking every opportunity to train and play, the boys showed plenty of growth as players, despite mother nature trying to stop us from reaching our cricketing potential. Set the challenge to score in the vicinity of 140, the boys did it in one of the first games of the season, later to crack 200. Brayden posted the first 50 in this team's history when the next week we notched 160 odd against

eventual premiers Eastlake. The boys had made the leap from batting survivors to run scorers. All our boys had their days with the bat this season. Dom developed into a mainstay opener, who could not only defend strongly, but also play solid shots all around the wicket. Elliot played uptempo cricket as an opening partner. Braydon got very comfortable at the crease by seasons end compiling steady runs in the top order. Griff always worried the boundary rope and Sheran showed good timing with some dashing knocks. Tom and Hamish showed their grit to play back-bone innings in the finals series especially. Aiden was our late order dasher who loved a boundary. James' stays at the crease lengthened innings by innings as he showed ever improving focus, and Will batted with purpose and courage to sustain an average of 66 for the season. Our bowling wherewithal also improved this season. Will was always hard to get away, swinging and moving the ball off the seam. Brayden was Mr reliable with a wicked line and tricky shape. Elliot showed he could spin a ball as well as he could sling in a pace delivery. Easily our best catcher in the field, many of our boys can thank Elliot for his catching. Thomas found his run up and delivered some excellent balls as a result this season. Hamish and Sheran were our spin twins, both regularly confounding batsmen with good flight and turn. Dom was a second session bowling weapon for the team after an ever tidy opening stanza behind the stumps. Aiden's bowling improved out of sight this season, and as a result he took some great wickets as a change bowler. But Griff probably made the biggest advances with his bowling, developing swing, intimidating pace and nagging consistency this season. His wicket tally in the semi-final was a testament to his quality. We didn't get the win in the GF but it was an excellent achievement to be there. All our players contributed to our success on the field. Teamwork was uppermost in our minds. Thanks to all our parents for their many contributions this season, not only with match day duties, but also for all those training sessions, and extra net and backyard sessions which gave our boys the opportunity to develop as cricketers, for which they show plenty of potential.

Sheran Abeysekera	A spinner with the uncanny knack of drawing a batsman into a shot they wish they didn't play, Sheran was always willing to put the ball on the spot to make something happen. And with the bat Sheran quietly announced himself as a player who takes risks and plays shots. Sheran took a positive approach to his cricket this year.
Thomas Acheson	Working on his balanced run up, Thomas discovered a bowling rhythm to constrain and threaten batsmen this season and was able to contribute with the new ball or later in the innings as a bowler. With the bat Thomas helped us steady our run-chase several times this season, picking off runs with selective shot making. A dedicated player.
Aiden Doyle	Our most energetic player, Aiden developed his bowling control this year and with it came some very handy wickets. Aiden's batting also improved, and with his eye in, he often

	found the boundary with instinctive shots. Selfless and busy fielding efforts really helped us restrict opponent runs.
William Rees	Will had a break-out season with the bat, compiling steadily,
	but also braving the initiative to go after fast runs to drive the
	tempo of the game, never moreso than in the grand final. A
	skilful fast bowler and also our run-out king this season. An
Griffin Sluis	awesome season from a passionate and skilful cricketer. Griff took his bowling to a new level this season. Ever
Giffili Stuis	determined to make his mark on the game, Griff was the
	obvious choice for the new ball and closing overs. Griff is also
	destructive with the bat when he gets going. Someone who
	inspires with his actions, Griff reaped the benefits of dedicated
	practice. A leader in the team.
Hamish Todd	A determined and optimistic cricketer, Hamish often held our
	tail or middle order together. Hamish's footwork got better
	and better this year, and shows signs of scores in future.
	Troubling batsmen when the pitch turned as a threatening
	spinner, H also chipped in as a keeper. A great contributor to
	our season.
Dominic Trinca Talalin	Dom's biggest problem this season was that his bowling was
	so good we couldn't afford to leave him at keeper for the
	whole match. With his batting solid, he inevitably had a big
	day in the office every Sunday. An outstanding competitor.
	Well done for an excellent season.
Elliot Van Ballegooyen	Fearless and energetic with bat and ball, Elliot was a ball
	magnet with the safest of hands in the field. Elliot is going to
	get better and better because he is so eager to compete. More
	great cricketing moments await. Well done on being a great team-player.
Brayden Wright	Brayden's unflappable cricketing persona suited him being
	captain for the finals. Ever calm but also determined, Braydo
	was rewarded with quality innings with the bat, and
	economical bowling spells with plenty of wickets. An
	understated, team-minded player with great skill who had a
	great season
James Wright	Easily his best season in the field, James showed a strong and
	straight throwing arm to restrict our opponents' runs. His
	batting got better week by week, but he is still nowhere near
	his undeniable potential. Continued effort will reap greater
	rewards.

Stage 3 Turf (Joint Premiers 30 Over Competition, Runners up T20)

TEAM PERFORMANCE: 9 Wins; 1 Tie, 1 Loss and 2 Draws

The 2021-22 cricket season was difficult as we lost a number of games due to COVID-19, washouts. Along with some teething issues with the introduction of the stage not age concept on top of some wet and tricky turf pitches meant that this group of boys got to learn a lot about resilience and the need to "find a way to succeed".

The core group from previous years was joined by a number of very talented younger boys who brought a lot of skill and different perspectives to the team. The messaging to the boys was similar to previous seasons at this age bracket - focus on development and process as opposed to the result. Different and more uncomfortable roles develop more all-round cricketers and in turn allow individuals and teams to develop at a more rapid rate. The boys took everything in their stride, taking on roles, including the use of half a dozen captains, they were unaccustomed to culminating in one of the better games of cricket witnessed at the junior level, resulting in a tied Grand Final. A premiership and runners up trophy were a testament to the talent that exists in a group of players that will ensure the future of Marist is in a position to continue a legacy of competitiveness,

sportsmanship, excellence and the 'Marist Way' at the Senior level for many years to come.

Thank you to the support of Gus Masters, Nick Smith and the many parents who umpired, scored, provided support (and food!) for the boys. Cricket is an individual game within a team sport and I look forward to the boys forging their own pathway in this great game as the years progress.

THE PLAYERS

THETERD	
Bede Cuddihy	Bede is the ultimate team man and sacrificed his own
	opportunities in this team to allow younger players the chance to
	flourish. A strong batter and excellent bowler, he took his
	opportunity to develop his game further with the Colts 2nds and I
	look forward to seeing his promise as an opener come to fruition.
William French	Managing injury all season, Will was outstanding with the bat
	prior to Christmas and then with the ball after the break. Will's
	leadership was outstanding as he supported younger players
	throughout the season and in the finals campaign, culminating in
	the being awarded the inaugural 'Marist Spirit of Cricket' Award.
Alex Gunn (c)	Alex batted very well through early parts of the season with some
	mature knocks and was the team's leading run scorer. His role
	within the team changed constantly and saved his best with the
	ball for Grand Final day with an outstanding display of controlled
	bowling. Alex's thought process around the game, along with his
	outstanding fielding was crucial to team success.
Arnav Gupta	Arnav selflessly moved into the Colts environment for the good of
_	his own cricket and Marist cricket. While not there for much of
	the season, Arnav's batting developed into an aggressive lower
	order batter to all parts of the ground. His strike weapon, his
	legspin bowling developed well throughout the season, increasing
	his pace through the air, which ids required at a higher level, but
	not losing his trademark 'turn and burn'.
·	

Nathan Kerr	A late arrival into the team from the all-conquering u14 team from previous seasons, Nathan is an outstanding leg spinner who flights the ball beautifully and makes batters make a decision. Whilst his chance with the bat didn't quite work out, an improvement in the field and the 'one percenters' will allow Nathan to continue to develop into a very special talent.
Sachin Liyanage	Sachin is a player suited to longer form cricket where he will be very difficult to get out. A great technician who simply loves the game, a glimpse of what a Sachin can do came in the GF, where he hit the ball hard and ran even harder. He will get even better when he backs his own ability and worries about scoring runs rather than getting out. A handy part time leg spin bowler, Sachin was a valued member of the team.
Lucas Louis	I love what Lucas did for this team. Coming off a 700 run, 30 wicket season Lucas was one of the first picked for the stage 3 turf team. Despite having very limited opportunities particularly with the bat, Lucas did not complain and trained every session. Whilst a frustrating season individually regarding opportunity, what he does with his talent and minimal opportunity from this year onwards will be the making of him as a cricketer. Watch this space.
Josh Nuss	Josh is a very talented batter who will absolutely thrive when he gets a bit stronger and backs his ability. Another one of the younger and very talented players who stepped up as part of the new "stage not age" concept, I am looking forward to watching Josh as he progresses into a more 'multi-faceted cricketer' as he moves into the higher age brackets as the opportunity presents themselves
Aarush Patel	Give Aarush the new ball and he will take wickets or go for few runs. Like many in the team, Aarush had very limited opportunities to do this, rather he has to find a way to perform a different role and contribute to the team in ways he wouldn't have seen previously. He was a worthy recipient of the coach's award as he continued to train well and support the team ethos that the coach was looking to instil. Aarush is an outstanding bowler who's batting has developed into a player with real class. One to look for in the future, developing his skills into a very strong all-rounder.
Noah Polishuk	Noah had a limited pre-season due to breaking his arm, but when he came into the team, he showed what he could do. As most wicket-keepers are, Noah is a perfectionist to a fault, being his own greatest critic. His work up to the stumps is outstanding and above most and is tidy when keeping back to the quicks. Along with his continual work as a keeper, developing his batting to attack all parts of the ground is a focus for Noah moving forward.

Tomas Sanson	A self-deprecating cricketer, Tom is a great team man who has immense talent with the bat and in the field. A couple of very handy runs at the right time were invaluable to the team and showed what everyone knew he was capable of. A safe pair of hands combined with outstanding leadership in the field through action, Tom is a player that every team needs.
Dylan Shillington	Dylan is an excellent fast bowler who moves the ball away from the right handers at pace, often not taking the wickets he deserved as the batters just weren't good enough to get bat on ball. Dylan's hard hitting batting terrified opponents and his innings in the grand final was instrumental in recovering a pretty dire situation to achieve a tie. Outsidnting in the field, once he learns to bring his length back and bowl a 'heavy' ball once the swing goes, he will be a formidable opponent for any batter/
Samuel Smith	Sam had a disjointed season due to a number of different grade and rep constraints placed on him. Despite this, Sam was the consummate team player and professional, taking on roles with bat and ball that were different and foreign to him and performing as was required within the development constraints of the season. Despite many frustrations, Sam's class came to the fore in the GF scoring an invaluable 47no and without the competition rules regarding retirements, would have continued to lead the team to a match wining innings.
Suman Thapa Chhetri	Suman is a terrific fast bowler and hard-hitting batter who again for the good of the College moved into the Colts environment. Suman is a gifted athlete who can do significant things with his bowling if he chooses to go that way. His passion and no-fuss attitude is invaluable for any team and I look forward to seeing him make and take many more runs and wickets for the College in the future.
Sachin Weerasinghe	Sachin is a very talented left arm bowler and batter whose attitude to cricket epitomises what Marist cricket is about. Sachin is one of the better trainers that I have seen. His passion and desire to learn in unparalleled. Coming into the Turf team after Christmas really allowed Sachin to flourish with bat and ball, but mostly the injection of energy in the field Sachin brought was key to team success.

Stage 3 Saturday Gold

TEAM PERFORMANCE: 9 Wins, 5 Losses, 4 Draws

After a bumpy start, the Stage 3 Saturday Gold Team had a very good season. The boys overcame numerous challenges to achieve commendable results. They developed significantly as a team and individually, and earned a place in the finals for both T20 and 30-Over formats. Bravo!

The season started late and frustratingly with numerous washouts, a bye, a last-minute fixture change in the T20 competition, player changes, a season ending injury, a few bouts of 'covid iso', resulting in a core team of just 9

players by mid-season. By season's end 21 boys had contributed to the team as players and sub-ins! The boy's passion for cricket, strong team spirit, positive attitude, and fine captaincy from Levi Belcher, meant the team overcame these setbacks, enjoyed their cricket, and had a great run of hard-fought wins in the backend of the season to end well up the ladders. In an unlucky cruel twist the T20 Grand Final was washed out.

There were several outstanding individual performances with bat and ball, but it was the camaraderie and discipline in the field that helped the boys succeed. On a few occasions opposing coaches commented on the good skills and fair play of our boys in the field.

All the parents are very proud of the resilience, talent, determination and fine sportsmanship demonstrated by the aptly named "Gold" team.

THE PLAYERS

Levi Belcher (c)	Levi greatly enjoyed the challenge of being Captain this year, and he developed in that role admirably, usually organizing the team strategy without any adult direction. Whilst the season provided plenty of challenges, Levi and the boys worked together to play an entertaining and attacking style of cricket. He continued to be an asset with the ball,
	often opening the bowling and carrying a heavy workload, recording very respectable figures, setting the tone of each innings, and achieving a season best 3/16 in the T20's.
Noah Brown	Noah had a strong season with the bat. In most games he batted top 3 and can be relied upon to hit through the opening overs, wearing down the new ball and opposition pace bowlers to help get the runs flowing. His batting skills are increasing considerably, as he uses many strokes to score runs around the ground. A season highlight was the not out innings of 40 runs. Noah can look forward to big scores in coming seasons!
Shenal Hewawasam	Shenal is a Leg Spin Bowler and a Middle order batsman. His season started really well demonstrating high technical skills with bat and ball, and great application in the field. Unfortunately, he got injured when batting (hitting a sweet boundary!) in the last game before Christmas and was unable to return for the season. He was sorely missed, and we could not adequately fill his shoes!

William Hyson	A great year from Will with the ball, taking 21 wickets for the club this season. Will was a consistent performer, with especially good figures in the 30-Over games where he took 18 wickets at an average of 5.7 and
	an economy rate of 2.3 per over. The highlight for Will was his 6/14 against Ginninderra, his best bowling figures for Marist. We are excited to see Will continue his improvement next season.
Max Juchniewicz	Max delivered a solid and dependable performance throughout the season. Max found form with both the bat and ball and is a valuable allrounder. His skill has developed considerably, and in particular his confidence and patience while batting resulted in some very good innings. His bowling was also very economical, especially in the T20 format where he achieved his season best 3/12!
Ross Lamb (wk)	Ross was a terrific wicketkeeper for the whole season taking 13 catches, stumpings and run outs. He stepped up as captain when required, and was central to maintaining a positive on-field attitude amongst the team. He worked hard to improve his form with the bat, and succeeded in scoring 146 runs at an average of 21, with a top score of 40 not out.
Viira Peiris	Viira is an enthusiastic cricketer and great team player, always offering words of encouragement to his teammates and willing to take on any role the team requires. A left-handed batsman, Viira joined the team in December and quickly proved himself and worked his way up the batting order. A strong back foot player, he enjoyed his attacking batting style this season. Hitting a six was sensational! Also handy with the ball when needed, his skills improved in all areas as the season progressed and his confidence grew.
Matheesha Rajapakse	Matheesha started the season in Division 2 and following a great couple of games with both bat and ball he was promoted to Division 1. His excellence in the field was quite noticeable with contribution towards many runouts and catches. He is a strong all-rounder earning runs and wickets for the team, including his season best bowing results of 2/10. Matheesha showed his maturity by being a true team player.
Shanaathanan Srimanobhavan	Shanaa established himself as the opening batsman for the team, facing the first ball for games in the second half of the season. He was in consistent good form and was able to confidently open the scoring, amassing the team highest 209 runs. He often opened his account with a boundary and kept the momentum going thereafter! Shanaa is a team player encouraging his teammates to perform to their best.
Sam Walsh	Sam is a fiendishly fast bowler and he worked hard this season to find good form and accuracy. The caught and bowled wicket was dazzling. He managed a heavy bowling workload as a member of the team's 3-pronged pace attack, and achieved his season best figures of 2/10. He is also improving his batting with enthusiastic encouragement from his teammates.

Batting Award: Shanaathanan Srimanobhavan

Shanaa was most often the first strike opening batter and scored team leading results with 209 runs averaging 23 runs per innings. And he always keeps the run

rate moving along.

Bowling Award: William Hyson

Will was the bowling workhorse for the season. He delivered 70.4 overs taking 21 wickets, with a strike rate of 20.2 balls per wicket, and an economy of 3.0

runs per over. He achieved outstanding career best figures of 6 for 14.

Coach's Award: Ross Lamb

Ross was a terrific wicketkeeper for the whole season taking 13 catches, stumpings and run outs. He stepped up as captain when required, and was central to maintaining a positive on-field attitude amongst the team. He also contributed significantly with the bat scoring 146 runs at an average of 21 runs.

Five wickets in an innings:

William Hyson, 6 for 14 against Ginninderra Tigers, 15 February 2022

Stage 3 Sunday Blue

TEAM PERFORMANCE: Sunday - 5 wins; 3 Losses; 3 Draws and lost the semi-final. Wednesday T20 - 2 wins; 2 losses and 1 draw.

It was an enjoyable and successful season for Marist Blue Stage 3. With a few washed out games at the start of the season, we made up for them on the Wednesday afternoon T20 games. With some great wins, and some narrow losses. This was reflected in the boys' development as players and as a team. They all played the game in the right spirit and improved week-to-week, rotating the opening batters, bowlers and captain every game. The boys applied themselves at training, and put the lessons learnt into practice during their games. They all enjoyed bowling and batting, but it was their improvement in the field and running between wickets that made many of the games towards the end of the season a lot closer. The supporters on the sidelines also contributed greatly to the team. A big thanks go to our team scorers Jane and Lenah. They turned up to every game to score without any fuss.

THE PLAYERS

Miles Baseby	Miles is a quiet achiever who worked hard and got along well with his teammates. He is a great allrounder. His fielding was the highlight, with some excellent catches – particularly a caught and bowled in one of the games. Miles is one of our best fielders, with the 'safest hands in the business' when the ball came his way.
Callum Fenwick	Callum is an enthusiastic and diligent player. He listened intently and always immediately put lessons learnt and tips into practice. He is a very strong bowler, and his batting is showing great promise. A frequent wicket taker, his deliveries proved too hard for most opposition players when pitched up and on the wickets. Three catches and run outs respectively reflected his efforts in the field.
Rusty Jenkins	Rusty suffered every kid's worst nightmare of being the Coach's son! Rusty handled it with style and grace, much like his game. Rusty and Jared initial shared the role of wicket keeper in the first half of the season, however Rusty took over the role full time in the second half of the season when Jared picking up a few injuries. Rusty displayed great enthusiasm in the field, always backing up his teammates and providing consistent encouragement.
Evan Jojo	Evan showed great progress throughout the season. Contributing well with both the bat and ball, he worked hard at training to improve all parts of his game each week. He was great at encouraging his teammates and lifting their spirits in the field.
Finn Maguire	Finn is a well-rounded player who is across all elements of the game. A dependable player, with some great performances in bowling such as 3 for 3 in one of our last games. Finn was quick between the wickets and in the field.

Johny Moses	Johny improved throughout the season with strong batting and bowling. His main strength was his bowling as he was able to change his style to unsettle the batter. Johny was our 'X factor' in bowling who we brought in if we needed a batter dismissed.
Eshan Narayan	Eshan worked hard at his game during the season and improved in all areas. Eshan showed good defence with the bat, getting in behind the ball against some good bowling from the opposition at times. Eshan worked on his bowling throughout the year and has developed a good line and length. Eshan picked up a catch in the field and worked hard at his fielding.
Sebastian Raap	Seb is a great team player involving himself in all aspects of the game. Seb is a hard-working bowler with a match best of 3 for 1, a consistent performer at the crease and enthusiastic in field. Seb was quick between the wickets with clear communication with his partner. He was able to chip away with one and twos to keep the score board ticking over and was a regular to get to double digits.
Rayyan Siraj	Rayyan bowled with pace and accuracy. He contributed with valuable runs when needed, particularly in the back half of the season and showed natural ability for the game.

Batting Award: Tom Jexin

Tom was a great contributor with both the bat and ball for the team. He worked especially hard on his bowling and was a regular to get double digit numbers when batting and was able to make runs in crucial games. When Tom and Jared were paired together in batting, they were unstoppable. Tom is a genuine team player who is a strong leader and has a very good eye when helping set the

field. Tom made 153 runs and took 4 wickets and 2 catches.

Bowling Award: Jared Wilson

Jared had a fantastic season in all parts of the game and was always improving and finding himself in the action. His pace was too much to handle for some opposition batters. He also showed his batting ability, being able to move the ball around the field to pick up multiple runs and fours. When paired with Tom, they showed excellent communication while running between wickets and this enabled them to bring the run rate up for the team. Jared scored 116 runs and took 11 wickets and 3 catches.

Coach's Award: Sajika Polgolla

This was Sajika's first season playing cricket and he worked very hard on developing his skills in all aspects of the game. He always listened to direction and took feedback well. In his first game he picked up two wickets. Sajika finished the season playing some impressive shots and improved his bowling. He trained with dedication and the coaches award is well deserved.

Stage 3 Sunday Navy

TEAM PERFORMANCE:

What a year for my 13 young men. A challenging year, stepping up to Stage 3 and playing against up to 3 years their older. Accepting challenges and rising to the occasion is an important part of sport and life, these 13 young boys stood up to every challenge placed in front of them. As a coach

I am incredibly proud of everything that this team achieved throughout the year. A massive thank you to all the parents of these kids for all your support throughout the year. Finally thankyou to Anthony for all his efforts throughout the year in organising our team. Your support and organisation skills (something I tend to be defunct in) allowed me the opportunity to think only of the team. Here's to an injury free offseason and seeing the team ready for the new season.

THE PLAYERS

IIIETEATERS	
Luke Allardyce	Luke was one of the natural leaders of the team, always willing to take on a role be it batting up the order or taking the gloves. Luke really developed into a nice top order batter. He achieved a lovely top score of 31 and was unlucky not to retire on a number of occasions.
Sai Advaith Ashok	Sai was a refreshing addition to the cricket side this season. A first time player of cricket, Sai showed no fear with any challenge afforded him. As a batter Sai, enjoyed hitting his first four and clean hits were a feature of his play. Unfortunately, a thumb injury, saw Sai miss the last couple of games for the year, we look forward to seeing him back next year.
Charlie Berry	The back half of the season saw Charlie have a few highlights that kicked along his development. A great catch unlocked an abundance of confidence that allowed him to fulfill his potential with the bat. Charlie worked hard on using his defensive skills with the bat that allowed him to choose the right balls to hit to the boundary. Charlie had a great temperament to his cricket, always encouraging and seeing the best in his teammates' performances.
Jed Bourke	Loves his cricket, wanting to be involved with every play. Loved getting involved with bat, ball and glove. As an off spinner Jed lead the wickets for the year and took away the bowlers award. Developed nicely as a batter learning to use his allocated balls to extract the most. The "king" of some of sledges, highlighted by the call, "This guy plays like my internet – not connecting". Said batsman then hit a four followed by an inside out 6 over cover!!
Angus Boyd	Loves a challenge and the competition that cricket gives him. Angus came back this year with a penchant for using his height in the form of pace bowling. He bowled some magnificent spells this year and constantly worked on his consistency. Always willing to do his share with the bat, Angus had a rock-solid defence and was unlucky not to retire on a more regular basis.

Felix David A surprise packet within our team. In his first year playing cricket Felix's highlight were with the ball in hand. His line and length saw him generate a steady stream of wickets, ending the year as one of the top wicket takers. His relaxed attitude saw him integrate well into the team, he also demonstrated an ability to learn, listening to instruction and working hard on his batting technique. Adam Hannan A quiet achiever within our group who learnt to grow and develop confidence in his batting. Adam ended the year as the top scorer for the team and was unlucky to walk away with the batting award. After coaching Adam for the last 3 years, this year I saw a distinct change in his attitude to cricket which results in outstanding results and taking away the coach's award. Jacob Lloyd The boy with a mountain of potential and developed into that potential throughout the year. It is amazing what players can achieve when challenged on their efforts. Jacob rose to all occasions especially with the bat. A naturally gifted hitter, Jacob learnt to channel his instinct into some nice efforts with the bat. These timely innings saw him walk away with the Batting Award for the year. I look forward to seeing where he develops next year. Riley Loiterton One of the shortest players in our team but with the biggest engine. Ran in hard all day when bowling and happy to chase down the long run to the boundary. Riley was a pleasure to coach, always being enthusiastic to his teammates and able to hold down an end with the bat. Jonathon Price Entering his second year of cricket, Jonathon was an absolute pleasure to have around the team. Starting the year with an injury Jonathon missed the first couple of games but still turned up to support his team. Once on the field Jonathon was a brick wall with the back, not letting many people get him out. With the ball his line and length produced very good spells. Stage 3 Sunday White

TEAM PERFORMANCE: 5 wins; 3 losses; 4 draws

This was a really fun but also competitive and successful season for stage 3 Sunday White, making it into the Grand Final. There were a lot of interruptions from the rain early in the season.

Our batting performance and skill had improved immensely from the start of the season to the end which helped with the boys getting more confident in batting in the middle as the season progressed, this also helped us bat all of our 30 overs and get heaps of extras. We still need to improve on rotating strike and maintaining a consistent high run rate specifically

controlling the game when we lose a few wickets early.

Our bowling was outstanding this season and it was probably a big factor between winning and losing games. No one took 3-4 wickets every match but every now and then someone stood up and did it for the team, and while we were taking tons of wickets, our bowling accuracy was incredible and kept the run rate very low.

Fielding this season was very good but still needs to be worked on, most importantly our catching was good but we dropped some crucial catches. We had a couple of people who could really sprint on the ground and get the bowl to the keeper quickly.

This team has been great to coach with a great group of parents. Special thanks to Kylie for being our manager, getting us organised every time and Simon for being the other coach, taking training sessions and umpiring in games.

A lively character in the field who kept the team talking in the field even

THE PLAYERS

Finnegan Carr:	when things aren't going out way. He is a wonderful batsman with the ability to score quick if he can get set with excellent power, but more importantly his leg spin bowling has always been a threat to the batsman. A genuine wicket taker. He has batted sensibly in couple of games to pull the team out of trouble.
George Denny (C):	A very, very strong batsman and someone who can read the game situation and can change the plan accordingly on the park. Hence very well and deservingly nominated the Captain of the team. He had an outstanding season as a batsman, and very safe fieldsman however he has excelled more as a captain a lot of 50 scores and many other useful batting performances has earned him a batting award for the team. Backbone of our batting unit and the leader of the pack.

Yug Desai:	A very strong season for Yug in all aspect of the game. Batting wise he has improved a lot with his ability to adapt to the game situation and his big hitting ability has helped in executing our game plan. He has also been flexible into batting at the number 3 and 5 position for the team which allowed great flexibility. Bowling wise a fast bowler with real pace and bounce using his physical size, a very good bowling season for Yug and has taken the bowling reward. He was also rewarded with a hattrick in the Semi Final to win the game for the team. He is also one of safest pair of hands specially in slips for catching.
Rashad Hasan:	Rashad has had a good season for playing half of the season always cheers the team up in games and even in training, he gets some serious pace while bowling and had a good bowling season, not many wickets but good accuracy, in batting he had a reasonable season with some runs however he has some unbelievable power that can easily clear the rope if he gets contact and is one of few batman that can hit from the first ball, he is also lightning quick across the ground making him a handy fielder, he has improved heaps in both batting and bowling.
Ethan Lenihan:	Ethan is a very good kid and has really charming nature. He often gets the team doing the right things if people are messing around too much. Ethan is a very strong batsman, he is solid with his defence and has made the opening position his own for the team, he has often gotten us to really good starts. Bowling is probably Ethan's strong suite, Ethan is extremely quick, the quickest on the team, his accuracy was also very good, he has amazing variation like using his slower bowls to perfection making one of the biggest threats while bowling. Ethan is also a very good fielder, he is really quick across the field and puts in 100% for every chase and with his all-round ability coupled with his great attitude during the trainings and games has earned him the coaches award.
Jackson Murray:	Jack has been one of the most cheerful and fun person for the team and has always shared a joke or to two to get everyone a big laugh. He has really improved from last season having multiple games with excellent batting and bowling performances. He is also one of safe catcher of the team. Jack is a reliable fielder and has a cannon arm and can get the ball into the keeper from anywhere.
Keshera Peiris :	Keshera is a very good and humble kid, he listens to all the coaches instructions and executes to the best of his ability in games and training. Keshera is a very good pace bowler with good speed on him, he can get a few quick wickets and also bowl all his overs for a really low run rate. As a batter, he is very solid, beautiful defence and drives, he can bat wherever the team needs him to bat, and you can expect that he will score runs. Fielding wise, he is a very safe fair of hands, he drops almost nothing and has also gotten into slip fielding. A very good all-round player
Angus Rees:	Angus has continued to improve significantly throughout the season and has become a very dependable allrounder for the team. His batting technique is very simple and effective. And this season, He has gotten the role of just going out to the middle and try and get quick runs for the team in middle and later overs which he has executed very well, and as an opening bowler for the team, he managed to keep the runs down and while doing so pick up few wickets. His safe pair of hands and strong arm helped the team in the field.

Callum Samaranayake:	Callum is one of the consistent performers for the team mainly in the bowling department. Opening the bowling, he has shown lot of control with his medium pace and taken few important wickets and gotten us to very good starts. He was instrumental in dragging the team back while fielding with his accurate and economical bowling in couple of games. He also had few useful batting innings for the team.
Jeffrey Sebastian:	Jeffery is a team man who was giving his all to the team in both batting and bowling. He is also a dependable catcher close to wicket. He also has a very steady bowling action and can control the ball. He has always put the team first in his approach.
Aklamash Shafiq:	Aklamash is one of the brightest kids in the team, he was always cheering the team up and having a joke, he had a reasonable season in terms of batting and bowling but most importantly, his fielding was unbelievable, he was amazingly quick across the field and took a lot of catches at the point and gully region.
Matthew Smith:	Matthew is also one the other player who has improved a lot throughout the season. He is one of the safest pair of hands behind the wicket and had taken some wonderful catches. He has also done really well in batting as an opening batsman who understood his role and game plan for the team and did fabulously well. He is probably one of the hardest working people in our team because as soon our bowling finishes, he has less than 2 minutes rest from keeping and get up to open the batting.
