

MARIST COLLEGE CRICKET CLUB

"STAGES NOT AGES"

PHILOSOPHY

To increase participation in cricket at Marist College

To maximise the enjoyment of each player participating in cricket at Marist College

To foster further skill development in cricket at Marist College

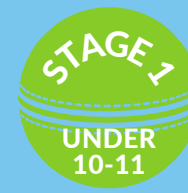

COMPETITION STRUCTURE

Most competitions will operate in a similar age bracket to previous seasons

A competency-based approach allows some flexibility for players to participate at their level creating more competitive cricket that keeps players engaged

Mates can still play with mates. Marist Cricket is about participation and enjoyment
